CHAIRMAN'S MESSAGE

LES AVORY

The last year of this century would have to be one of the most disappointing. In 1999, due to events beyond its control, the Federation had to address several key issues which affected the very fabric of our game in South Australia. In 1995, when Stage 1 of the stadium was first mooted who could have predicted the challenge we are faced with today following:

- The disbandment of the NRL team Adelaide Rams depriving Hindmarsh Stadium of a valuable tenancy income.
- The unfortunate demise of Adelaide Sharks being placed into liquidation.
- Only one team (Adelaide City Force) remaining in the National League becoming the only tenant at Hindmarsh Stadium.
- Restricted use of the Stadium for National Soccer League matches due to the Stage 2 Olympic Building Programme.
- The re-allocation of funding from the Office of Recreation & Sport.

The Board has had to address these major time consuming issues whilst at the same time operating the day to day affairs of the Federation. This has not been an easy task. In this regard I extend my appreciation to my Board of Commissioners and Clubs for their understanding and support during this testing period.

The demise of the Adelaide Sharks had a most significant impact on the Federation. Not only did the Federation suffer a large immediate financial loss, but the ramifications of having only one team in the National League critically reduced the income budgeted from Corporate facilities and Seats.

The costs of running Hindmarsh Stadium with only one team will place an added financial burden on the Federation.

With this in mind, we are currently in negotiation with the Government in relation to Leasing/Management issues. The Board will examine the risks, consider what it believes best for the Federation and recommend accordingly to the Council of Clubs.

It is imperative and a priority of this Federation to do all it can to ensure that Adelaide will win back a second position in the National Soccer League as quickly as possible. At the time of writing, a Due Diligence committee has been formed and completed a Information Memorandum and

Financial Analysis for presentation to potential Investors.

It is clear that the development of Major League Sports can no longer depend on the generic income derived from traditional sponsorships, affiliation fees and grants. These streams supply a small percentage of net turnover. We must and will be looking further afield to broaden our financial base, being more commercial, inventive and aggressive in our approach to obtaining additional funds to support the sport/stadium to gain additional income.

With the completion of a "Stage Two" of Hindmarsh Stadium we were immediately able to provide some International matches and Training Camps.

In January we hosted the Four Nations Tournament (Australia, Korea, Nigeria and Egypt) over a period of ten days. We also hosted a leg of the Women's Australia Cup during this time.

We have established an important relationship with Japanese Football and in February this year, alone we have hosted THREE Japanese J-League teams for training camps which has enhanced our reputation as a leader in this Business Development.

It's worthy of note that in these two exercises alone we have provided the City with over 3,500 bed nights - adding to the overall Economic Benefit for the State.

In our role as Stadium Managers, we will be exploring external business opportunities for events at Hindmarsh Stadium not restricting ourselves just to Soccer for income.

Our short term energies for 2000 will be put to winning as many Pre-Olympic events as is possible through Training Camps and International Matches. This period is unique and must be capitalized upon. These will not only ensure an exciting year 2000 but

help develop a solid foundation for the future leaving a legacy for our Federation by building lasting international relationships via our sport, our world class stadium and reputation for event management.

Our Budget for 2000 also addresses the re-allocation of funds derived from the Office of Recreation and Sport. As reported, funds traditionally paid to Clubs in the form of prize money are no longer available, again highlighting the importance that we adjust to becoming more commercial and aggressive in obtaining replacement Income from 'non-traditional' sources.

On a much brighter note, we are all very proud of the five young South Australians who represented their Country so proudly in the recent FIFA under 17 World Youth Championships in New Zealand - coming a whisker, the last kick in fact, from winning Australia's first world championship.

Congratulations to Louis Brain, Aaron Goulding, Lucas Pantelis, Iain Fyfe and Matthew Milosevic. We salute you, your efforts and skill and look forward to seeing you develop into first class players representing Australia in a senior World Cup in the future. No longer boys, these proud young men are local home grown products of Federation Clubs, who have come through Coaching and Development programs, State Teams and the SASI squad - again demonstrating the commitment of the Federation to the Development of our game and South Australia.

At a National level the game continues to grow under the leadership of Chairman Basil Scarsella. In Basil's short term as Chairman he has revitalized the game. His significant strategic improvements see Soccer Australia operating from a position of strength across the board. The various Presidents and Chairmen of the States have been meeting regularly drawing up working documents for the SPIC Plan which when implemented will have tremendous benefits and financial returns for all Federations. Basil's initiatives in this regard will see

Soccer as a leader in Sports Administration in Australia.

These initiatives include the following:

- National Registration Scheme.
- National Insurance Scheme.
- Introduction of a 2nd Division National League.

My congratulations to Cumberland United on their Premier League championship victory and to Port Adelaide Lion on being minor premiers. Adelaide City displayed their class in the State League, although credit must go to the North Eastern MetroStars, who won promotion to the Premier League. An outstanding achievement in their first year in the competition.

Congratulations also to West Adelaide on winning the West End Federation Cup competition in what was a highlight in an emotional, difficult year for the Club.

An early start to our Premier and State League season has been brought about due to the Olympic Games being scheduled for September. I wish to thank all Clubs for the cooperation and understanding of the difficulties and pressures that this early start has placed on the Federation.

I take this opportunity of wishing all Premier and State League Clubs well for this important season - the first of a new millennium and look forward to joining with you as you cheer your teams to victory.

Our Olympic involvement is expected to bring with it a fountain of opportunities resulting from greater public awareness, increased Stadium income, additional sponsor potential and player participation. All these positives auger well for an exciting future for the world game in South Australia. I look forward with great optimism to seeing the South Australian Soccer Federation enter the next Century.

GENERAL MANAGER'S REPORT

TONY FARRUGIA

Welcome to the 2000 Smoke Free Premier and State League Competitions - we wish all teams competing every best wish for the exciting Season ahead.

What an exciting start to the 2000 Soccer year when in early January, the Federation successfully hosted the International Four Nations Tournament over four days involving some of the best players from around the world. We saw the LG Australia Under 23s take on current Olympic Gold Medallist, Nigeria, and promising Olympic medallists, Korea and Egypt, with Korea outplaying Australia and winning the overall Tournament.

At the same time, the recently 'unveiled' Australia Matildas played the current World Cup Holders, USA, in the last round of the Australia Cup series, also featuring Sweden and the Czech Republic.

This proves that with a completed Stadium, we are now in a position to place bids to host major international events.

The past twelve months proved to be the most difficult of times since my involvement with the Soccer Federation. Singularly, from an administrative point of view, the demise of the Adelaide Sharks into liquidation had its catapulting effects on the Federation, its finances, competitions and management of the Hindmarsh Soccer Stadium. It left us with one team in the National Soccer League playing out of a world class Stadium which had just been totally refurbished.

The Board, as a priority, is addressing this situation and has taken certain steps to do all that is possible to ensure that Adelaide regains its second berth in the National Soccer League Competition in the Year 2001.

Planning for the Olympic Football Tournament in September 2000 is well underway. My appointment as Competitions Manager for the Event is certainly going to keep me busy during this Season, however with the assistance of Technical Operations Manager, Denis Harlow, I am sure that Adelaide will once again be proud of the product we shall produce.

With the redevelopment of Hindmarsh will come the attraction of major international events. We are

looking to expand our international market and are aware of our obligation to this investment to do so. At the time of writing this Report, we have three major J League Teams training in Adelaide - Verdy Kawasaki, Consadole Sapporo and Sanfrecce Hiroshima. We are also holding discussions with teams qualifying for the Olympic Games to hold pre Olympic Training Camps in Adelaide.

It is pleasing to report that some progress has been made with regard to the unification of the Sport through the establishment of 'Soccer SA'. Agreement has been reached on marketing issues which will see a unification of all sections of the Sport getting behind endorsed sponsorships.

Last year the Federation invited three new Clubs into its Competitions - North Eastern MetroStars, Panthers Soccer Club and Northern Demons. Each and every one of these Clubs performed creditably and professionally as required by Federation standards. In particular we congratulate North Eastern MetroStars on winning promotion to the Premier League in its first year of Competition.

Once again our Premier and State League Competitions were of an exceptionally high standard culminating with the Mutual Community Top 5 Series at Hindmarsh Soccer Stadium.

Those who attended the Grand Final would well remember the fabulous atmosphere of almost 9,000 fans, the colourful entertainment and the fantastic standard of competition between two of the traditional rival Clubs of the Federation. Congratulations Cumberland United Foxes on winning the League Championship and to Adelaide City in the State League effecting the double of Champions and Premiers.

The Federation Cup was this year played at the conclusion of the Smoke Free Premier and State League Seasons. We welcomed West End as the naming rights Sponsor of the oldest of Federation Competitions and congratulate West Adelaide on winning this much sought after title over Elizabeth City.

And talking of history who could forget that fabulous 1999 Player of the Year evening which

crowned three great players with the Serg Melta Medal. Congratulations Les Matiscsak, Tony Scalzi and John Fontanarosa.

As a result of recommendations made in the Harlow Report into Junior Coaching and Development, the Board appointed five Regional and two Area Coaches. Their input and work ethic has given the Federation a presence within the sporting community.

During last year I was sad to lose the services of Coaching Director and great friend, Carlos Buzzetti. Carlos, who held this role with the Federation for over ten years, has taken a position as National Coach with Vanuatu. I am sure all members will join with me in wishing Carlos every success.

Congratulations are also in order to Shirley Brown on her election as president of the Australian Women's Soccer Association. Shirley now joins Basil Scarsella as South Australians in charge of the game nationally.

Under the leadership of Basil Scarsella, our peak body, Soccer Australia, has taken many steps forward in all areas nonetheless financially, where in a short twelve months and through a lot of hard work, the organisation is financially sound.

It is with regret that Joan Hall resigned her position as Ambassador for Soccer SA late in the year. To Joan I would add my personal thanks for your great support during your reign as Ambassador and we look forward to your continued dedication to our Sport in the future.

On behalf of all Members I place on record our thanks to the following organizations who have supported Soccer in South Australia at Federation level:

- City of Charles Sturt, Mayor John Dyer and Chief Executive, Susan Law.
- Hon John Olsen, Premier and Hon Iain Evans, Minister for Recreation and Sport.
- Mr Simon Forrest, Chief Executive Officer of the Office for Recreation and Sport.
- Mr Basil Scarsella and Mr David Woolley, Soccer Australia.
- All sections of the Media including Geoff

Roach, Sports Editor, The Advertiser, Meno Toutsidis, Brett Clancy, Val Migliaccio, Alan Crisp and all the crew at 5RTI, 5EBI, 5RPH and Coast FM.

- To all our Sponsors who have supported, and continue to support, the Sport through thick and thin.

The Office for Recreation and Sport has renewed its grant to Soccer although varying the allocation of funds provided. This will mean that in future, prizemoney for competitions shall be funded directly through the Federation's budget. However it should be noted that the Federation is most grateful for the grants it receives in the development of our Sport.

This development is highlighted by the structured Coaching Systems we have in place for elite players - identified from an early age of twelve years. Once having established themselves through our Development Squads, the players are then elevated to represent the State at National Championships. Those who show particular skills are invited to join the elite SASI team which has enjoyed success in the Federation's Premier League Under 23 Competition over the past five years.

From this Squad, we are proud of the selection of five players who represented Australia last year in the Under 17 FIFA World Youth Championship Final.

To Aaron Goulding, Lucas Pantelis, Louis Brain, Iain Fyfe and Matthew Milosevic, words cannot express our pride in your collective efforts to help put our Country on the world stage in the World Game. These five young men are fine examples of what can be achieved with a little dedication and support.

To all Members of the Federation, I thank you for your support and I can assure you that the Commissioners and Staff will work tirelessly to ensure that we enter this new Millennium with great hope, desire and will to succeed.

Once again - good luck for the Season ahead and we look forward to an enjoyable and competitive year culminating with the Mutual Community Top 5 Finals Series in August.

How To Earn More Money Out Of Your Business

Most people in business are often so busy working in their business each day, that they don't have time to measure their success and to plan for their future growth and security.

Success in business is rarely achieved by chance. It usually results from careful consideration of ideas, planning and working towards achieving planned goals.

We can carry out a review to determine where your business is now, and then establish its future potential. Together we can develop ideas and plan for your future success.

We are able to regularly monitor the profitability and cashflow of your business and compare them with your planned objectives. Our regular reviews and meetings also help to identify further ways to make you more successful.

Our experienced team with a comprehensive range of skills ensure effective tax, financial and estate planning measures are utilised for your benefit. Of course we can also provide professional cost efficient audit, business investigation, computer support, company secretarial and litigation support services.

We have experience in a broad range of professional, manufacturing, wholesale and retail businesses. Our services are directed towards offering our clients more than the usual once a year "post mortem".

We can help you to run a more successful business. For a free initial consultation normally valued at \$180.00, call Ian Brooks now.

MARKETING INTO THE 21st CENTURY

MATT CROSS, MARKETING MANAGER

The year 2000 heralds the start of the Olympic build up and a genuine time of excitement for soccer in South Australia and in particular Hindmarsh Stadium and our clubs.

We welcome on board new sponsors and welcome back previous long time supporters of our game and feel satisfied that from a market perspective we have a great deal to offer and most importantly "we're smoke free".

We also welcome on board a new addition to the Soccer Federation. Andrew Buckley has been appointed as Market Development Manager and we wish him every success at Hindmarsh. The role encompasses Market Research into all aspects of the Stadium and soccer in South Australia, for the purpose of lifting the image of the Federation and the Sport. This will involve club merchandising, event management, sponsorship support and PR for local clubs as well as working towards expanding the number of international teams coming to Adelaide for training camps; both from Japan and other nations. With the Olympic Games Andrew will also be approaching teams as they qualify to come to Adelaide for pre-Olympic camps as well as overseeing the introduction of an internet presence for Soccer in South Australia, ensuring the representation of all local and national clubs.

Mutual Community continue their sponsorship of the Top 5 Soccer Series to be held this year in July at a venue yet to be confirmed. The series over the years has become a real highlight on the South Australian sporting calendar and this year will be no exception with planning already in progress. We sincerely thank Eric Granger and Adam Longshaw for their long time support and also introduce a new award for the young stars of our game in the Mutual Community Rising Star Award. The Rising Star has been designed to award excellence to the array of young talent in the Premier League with the winner receiving a \$1000 Mutual Community investment portfolio.

After the success of last year's Auction Dinner to launch the Smoke-Free Premier and State Leagues this year we have decided to capitalise on the Olympic theme and hold the dinner in July. Last year's evening was an outstanding success and involved an auction of many fantastic sporting items. This year will be bigger and better with funds again being distributed back to the Federation clubs.

1999 also heralded the return of one of soccer's longtime sponsors in the South Australian Brewing Company. For the next three years, West End beer will be exclusively sold at Hindmarsh Stadium, and at Premier and State League Clubs, and we sincerely wish Jim Owens and Bevan Harris great success with soccer for the second time around. The Federation Cup was included in the sponsorship package and will be known as the West End Federation Cup.

Although promising fewer games for this National League year the corporate boxes continued to be a sound investment for many companies. I would like to offer my sincere thanks to the Boral Group, Scalzi Produce, CMI Hino, Distinctive Homes, PCV Electrical, Woods Bagot, Rider Hunt, Connell Wagner and Baulderstone Hornibrook for their support in investing in Hindmarsh Stadium during a very sensitive time.

The overall emphasis in 2000 with regard to marketing and sponsorship will be to ensure levels of service increase and that we offer tangible benefits to our sponsors, in aligning with our game. I am confident in saying we have achieved terrific results throughout the years, reflected by the overall satisfaction from sponsors and ultimately with the renewals and in some cases increases in the dollar value of their sponsorship.

Good luck to our Premier and State League teams and sincere thanks to our fantastic list of sponsors.

Although a well used cliché, support the companies that support the sport.

we're smoke-free

BLUE EAGLES

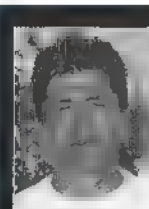

The new millennium heralds a new era for the Adelaide Blue Eagles with the long awaited move to the new Marden Sports Complex. Years of hard work and support from committees, members, sponsors and fans means that the club can now enjoy some of the best facilities in the State. The facility boasts a floodlit main pitch with concrete terracing and 500 under cover seats as well as a 300 space carpark, three floodlit practice pitches, changerooms and a clubroom with elegant bar and dining facilities for 250 people.

Whilst 1999 was not the best on the field, the acquisition of a number of quality players coupled with the development of the young brigade should see the club amongst the honours, likewise the commitment to a strong junior policy which stresses the need for specialised skills coaching and promotion in local schools, should see the emergence of more debutantes in the top flight.

Overall, the professionalism and commitment of the club to all aspects of the game, its strong historic record of achievements and its new home, make the Adelaide Blue Eagles the team to watch in 2000 and beyond.

It's almost sounding like a broken record to say that Adelaide City made the National Soccer League finals again in season 1998/99.

But with seven minutes of play remaining in the minor round, City were stranded in seventh place and only the top six would

progress to the playoffs. City needed to defeat last round opponents - the sixth-placed Sydney Olympic - and the visitors were content with the nil-all scoreline after 83 minutes. But then it all changed - after successfully marshalling the defence so far, Alex Tobin crept up to head in the goal which landed City into their tenth successive finals series.

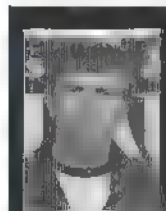

Adelaide City had started the 1998/99 season slowly, with losses against Perth Glory and Carlton in their first two games. By mid-season the club were mid-table, and generally hovered between third and sixth for the rest of the season. After being quickly knocked out of the finals by the Glory, the last-round victory against Olympic ended up being the highlight of a fruitful, yet, paradoxically, disappointing NSL season. By nature a club which has won so much in the past will not be satisfied with anything less than the major title.

But in contemplating the 1998/99 season there were several special moments to heed - achievements and occasions which typify Adelaide City and the superiority and stability it represents.

Captain Tobin played his 400th NSL game for the club - making him only the third NSL player to have reached the 400 game milestone. Damian Mori scored his 100th Adelaide City goal - the only player to make a century of goals for one club. Playing in his fifth full season for the club Jason Petkovic kept goals in 151 consecutive NSL games. And Louis Brain became the youngest ever Adelaide City goalscorer when he netted on debut against Brisbane two months short of his 17th birthday. 1998/99 also featured the NSL debut of local youngster David Terminiello, the return of Carlo Talladira, and the introduction of popular Korean import Dong Ki Kim.

Meanwhile at the helm, Zoran Matic coached his 300th Adelaide City game - yet another all-time NSL record.

Representative commitments for Adelaide City players continued throughout 1998/99. Tobin, Mori and Petkovic were all called up against World Cup participants USA in November. Later in the season, Terminiello and goalkeeper Anthony Bredon travelled with the Young Socceroos to the World Youth Cup finals in Malaysia, while Travis Dodd competed in the Cup's lead-up games. And in the Oceania Under 17 qualifiers Louis Brain quickly established himself as an integral member of the Joeys team which went all the way to the 1999 championship final against Brazil.

RED DEVILS

Despite a number of setbacks, the 1999 season turned out to be reasonably successful both on and off the field. On the playing side, the senior team struggled to find form and adapt to newly appointed coach Greg Kalinovic's attacking style of play. However, once the players adapted and results started to improve, the confidence returned and the team grew in strength, eventually securing a place in the Top Five playoffs. Campbelltown City

was the only Club to have all three senior teams make the Finals, a result which emphasises the depth of talent within the Club.

Off the field, the Management Committee, with the support and cooperation of the Campbelltown City Council, restructured the Club's finances and secured the long term viability of the Club. New Chairman, Jgo Rossetto intends to continue this process and will attempt to expand the Club's membership base and develop even closer ties with the Council and the general community.

This season we will be continuing to have faith in our Junior Development Programme and will be promoting more young players to join last season's young heroes, Lee Robertson, George Panagopoulos, Mario Staltari, Kym Barendregt, John Caputo and others who made valuable contributions throughout the season. Senior Coach John Evans has been charged with bringing out the best in our Juniors and coordinating the development process to ensure the supply line continues for many years.

Unlike many other clubs, we believe that our Juniors are the future of the Club and have set up a programme to ensure we continue to produce stars of the future. The newly completed Junior Clubrooms, rebuilt by the Club's members, will be the base for this innovative programme.

THE KINGS

The Polonia Adelaide Sports Club will be celebrating "50 years" in the 2000 season. The 1999 season was a disappointment for the Club. After the previous season our expectations were high. The boys had a good pre-season and hopes were high. They played well, won most of their games and by the middle of the season were in the top eight on the table.

Unfortunately, the wheels fell off in the second half of the season, there were too many drawn and lost games. Congratulations must go to John Fontanarosa who was tied in the "Player of the Year" and who also was a "Leading Goalscorer". The Under 23s and Under 19s again finished in the Top Five but were unsuccessful in their finals campaign.

The Under 19s, under the direction of coach Chris Dalas, must be congratulated on winning the Baretth Cup.

The Club would like to thank Jan Kierno for his expertise in coaching over the past three years and wish him success in the future. To all coaches, trainers, managers and players we thank you for your time and dedication in season '99.

For season 2000 we welcome Phil Scardigno as Senior Coach with Mick Doyle as his Assistant, Robert Di Troia as the Under 23 Coach and we retain the services of Chris Dalas as Under 19 Coach. We wish the coaching staff and players good luck and success in the new season.

Player of the Year 1999 Shane Porter, John Fontanarosa
Top Goal Scorer John Fontanarosa
Most Consistent Rick Piotrowski
Rookie of the Year Lyndon Parry
Players' Player Shane Porter

In closing we would like to thank all our sponsors: it would be difficult to survive without your continued support. Many thanks to our hard working committee and good luck to all for Season 2000.

THE FOXES

The 1999 Season - On What a Feeling.

A season that brought tears of joy to Cumberland's loyal band of members, fans, supporters and sponsors. After a 21 year drought, the "Foxes", after sitting atop the premiership ladder for many weeks, took out the coveted prize, "The Championship Trophy". The Club and its followers will bathe happily in the glory of the achievement until the whistle is

blown to start the 2000 season. Cumberland's 1999 trophy cabinet is also stocked with the Under 23 Federation Cup and the Under 14 Women's Cup won by a very talented "Vixen" side. On an individual basis, senior Team Captain Les Matiscsak won the Alex Hastings Medal for best on ground during the final and the prestigious Serge Meta Medal, topping off a fantastic season.

Junior development remains an integral part of Cumberland's operation and some exciting talent will make its mark in the coming season. The coaching staff remains the same with senior Coach David Leane leading the team that is again committed to achieving success in the 2000 season.

The Club greatly appreciates the valued contributions from its major sponsor A R Leane & Sons Pty Ltd, Electrical Services and its other sponsors, Pedro Pizzas and Australian Motors-Mazda. Our special thanks to the Mitcham City Council for their significant contribution of improving the playing facilities at Bailey Reserve. The Club looks forward to continuing its successful partnership with its sponsors, council and of course its loyal members, supporters and fans.

Finally, we welcome all new players, members, fans and supporters to the 2000 season and trust your stay with Cumberland will be permanent, enjoyable and successful. Cumberland United takes special pride in creating a friendly, hospitable and family environment that will make your stay at the Club most rewarding. Everyone enjoys success and being part of Cumberland United you can be assured of just that - Success!

Cumberland United wishes all Clubs and the South Australian Soccer Federation a successful 2000 season.

Season 1999 was the most successful in the Club's 40 year history. The senior team made the finals in the top five competition and also the Federation Cup final whilst the Under 23 team also played in the Federation Cup final. Unfortunately both teams were unsuccessful but the experience gained will help to build a stronger Club.

Alby Kidd has again been appointed Senior Coach and the stability of Coaching staff will keep the future of the club heading in the right direction

The club will be fielding seven Junior Teams in 2000, and the ladies' team again being representatives of the Club allow a foundation for the future for the club to work upon.

Season 2000 sees a large number of professional persons associated with the Club. Elizabeth City is not just a soccer club, but is involved in the development of its junior players, associating itself with overseas clubs and looking to the future of its players - within the Club, on a National level and also internationally.

Elizabeth City would like to extend its best wishes to all of the clubs within the Federation and hope that all have a good season in 2000.

After going seven games without winning a game the Club showed complete faith in the players and coach Duane Gray who turned a poor start around and eventually played some good soccer. The results started to improve which enabled us to achieve our aim of staying in the Premier League to build for the future.

Special thanks to all our Club's sponsors, particularly Challenge Recruitment, The Modbury Hotel, Car Care (SA) and Clancy's Liquor as major sponsors in a record year of sponsorship for our Club.

The Olympic training venue we have been preparing for at the time of writing has not been confirmed, but in anticipation our pitch for the year 2000 season will be the best it's ever been and the new lights the best outside of Hindmarsh. We are working with and have an excellent relationship with the City of Tea Tree Gully Council to achieve this end.

We have recruited three very impressive signings for next season in the League's top marksman for the past two seasons, Jason Trimboli from W.T. Birkaala and Mark Yates returns to the Club after not being re-signed by Adelaide City, and Robert Matoservic has signed permanently after his loan spell from Port Lion which started in round 10 last season. These players and a couple more youngsters currently trialling with the Club can only improve our very young talented squad for the campaign.

"GO THE JETS!"

Tipped to be the team to beat was the word around the traps, even before a ball was kicked in the 1999 State League season. Such was the

anticipation surrounding the introduction of the MetroStars into the State League. All the hype and expectations proved to be a fairly imposing task to live up to, particularly for a new team entering the unknown and sometimes hostile environment of SA Federation Competition.

We are proud to report that apart from a slight mid-season slump, the senior team led by the commitment of Mario Boffa, lived up to all expectations and in many cases exceeded them. Both our U23 and U19 teams also competed exceptionally well in their first year. In particular we recognize the efforts of Maurice Natale for leading the U23 to their first grand final appearance. The Club also congratulates Steven Maione for winning the Len Aagich Trophy.

MetroStars is a very ambitious club. Standards are set, not followed. The Club is hungry for success both on and off the field, however our commitment is to foster the development of soccer in South Australia. Our motto - "MetroStars Building Soccer for the Future" continues to drive us into reaching greater heights into the new millennium.

A special thanks must go to all our many sponsors, club members and supporters. In particular we praise our major sponsors, the Sicilia Sports & Social Club, Bianco Building Supplies, D'Oro Distributors and Tripodi Group of Companies. We commend our Club Patron Joe Tripodi for his continued support and guidance. His experience has and will continue to be an invaluable asset. To our President Sam Settecasi, Executive Committee and all support staff who work tirelessly for no financial reward, the success achieved in 1999 belongs to them.

As we now prepare ourselves in anticipation for the year 2000 in Premier League, we thank all our fellow member clubs for helping us with the transition and we wish them all every success in the new season.

THE PIRATES

Well, here we are again, ready willing and able for the year 2000. What does it hold for us, the soccer fraternity? I guess only time will reveal that for us, hopefully, we can put all of the negatives that have been generated over the Hindmarsh Stadium funding saga behind us and show the doubters out there and some others among us that we are worthy to have

this facility for our use paid for from **OUR TAXES**.

1999 for the "PIRATES" proved to be quite successful against all expectations according to some so called wiser heads; unfortunately we lost the BIG ONE, but alas we were far from disgraced and I know that Mike Barnett and the players are keen to make amends for the Grand Final loss, however the season was not a write off for us as 1998 was. Many of our younger talents were promoted to replace the many also rans that were culled pre-season and consequently were able to put pressure on the more senior playing staff, keeping them honest, so to speak

We look forward to the challenge of the new millennium and at this moment are working toward securing several long term sponsorship arrangements along with some structural changes at the management level directed toward greater stability for our Club's future.

In 2000 make "PIRATE PARK" YOUR soccer destination and join the milling throngs at the Red Corporate Box on the hill.

See you there. Ahoy me hearties!!!

we're smoke-free

What a turnaround! Last in 1998 and third in 1999. It was a good year for us both on and off the park. We missed out on the Minor Premiership by a whisker and off the park there has been a small army of people working tirelessly to develop our new complex at the Sports Park.

On the park we had a mixture of experience and youth and thanks to Rocky Aloisi the team flourished as the season went on. Ivan Karovic, Stanko Zilic and Michael Keens are now 18 year olds whose names will be remembered for many seasons to come.

We are now focused on playing at the Croatian Sports Centre at Sports Park, and with every new day passing we can see the complex taking shape. It will be great for our players and visiting clubs as the facilities will be second to none. We will be entering the 21st century with optimism, enthusiasm and the knowledge of having one of the best playing and training facilities in Adelaide.

Thanks to all the people who have worked there and to the people who will work there in the future. Many thanks to our major sponsors Tudor Pavers and Bianco Building Services and to the many sponsors who helped us throughout the year.

Good luck to all.

we're smoke-free

WEST TORRENS BIRKALLA

Postal Address

West Torrens Birkalla Soccer Club Inc
Cnr Morphett Road & Saratoga Drive, Novar Gardens, SA 5040
Telephone: (08) 8376 2865 Facsimile: (08) 8295 2101

The 1999 season was a most disappointing one for the Champions of 1998. After three consecutive Grand Final appearances, West Torrens Birkalla through suspensions and injury struggled to find form, however the minor round table was completed with only seven points between top spot and Birkalla in

sixth place, suggesting a very competitive competition. The virtual non-appearance of our 1998 Player of the year, Lachlan Campbell, proved that whilst one player doesn't make a team, one can make a huge difference. We wish Lachlan every success with Parramatta Power to whom he has been transferred. The Under 23 team, coached by Damian Siklic, made it to the top five play-offs but were unable to capitalise on their third place minor round games. Well done to these boys as well.

With the number of senior players leaving our Club this year, we look forward to introducing some enthusiastic young players who will join forces with several experienced old hands and together will combine as a formidable opponent. The Board would like to thank all our sponsors and supporters for their help and encouragement during 1999 and look forward to the same in 2000.

The Club would like to take this opportunity to thank West Torrens Council and their employees for all their hard work and support and look forward to their help once again this year.

We welcome all new players to our Club and wish them well.

THE WARRIORS

White City Warriors had mixed fortunes in season 1999. Our senior team finished a disappointing eighth after good early form, which at one stage saw it lead the standings at round 13. Injuries and suspensions took their toll and the team faltered in the latter stages.

Despite our poor showing by Club standards, we still managed to have three players selected in the State squad and we unearthed two exciting young talents - Jonathan Lihou and Daniel Ferreira. Lihou, an Australian Schoolboys representative, continued our tradition of producing national soccer league players when he was signed by Adelaide City Force.

The Club's L23 side finished 1999 positively, dragging itself from the bottom of the ladder to finish mid-table and reach the semi-final stages of the Federation Cup.

We did taste success with our talented J19 team which beat highly fancied Campbelltown to clinch the Grand Final 2-1 with a golden goal at Hindmarsh Stadium.

The Club will this year enter its second phase of rebuilding, retaining most of its talented young players who will now aspire to establish their Premier League careers and beyond.

White City this season will also celebrate the Club's 50th anniversary since it first fielded a team in a South Australian Soccer Federation competition. The club also won its first trophy in 1950, the Pozza Cup, and was promoted to the first division where our distinguished tradition began.

THE COBRAS

The morale and endeavour of all players, coaching staff and Club officials was high and ecstatic in 1999. All were committed to competing in another finals campaign, but unfortunately missed out on a top five position.

The Under 23's were fortunate to compete and reach the semi-finals of the Knock Out Cup series going down to the MetroStars in a hard fought and entertaining match.

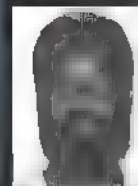

A solid recruiting drive by the Club saw the U19's squad return to the field in 1999. Congratulations go to Michael Krotiris for his hard work and dedication to go out, recruit and succeed in bringing these players to the Club. Also congratulations to the players who stuck to their guns and saw out a difficult year.

The fielding of four Junior teams in 1999 has laid the foundation and cornerstone to further strengthen and rebuild the Junior colts and the Adelaide Cobras.

From the committee we thank our supporters, members and volunteers who helped throughout the 1999 season and look forward to their continued support in the 2000 season. As Chairman I thank all members of the committee, coaches, coaching staff and all players for their dedication, loyalty and hard work throughout the current season.

We gratefully acknowledge our sponsors and in particular our major sponsor GALIPO FOODS for their continued support and look forward to all sponsors being involved with the Adelaide Cobras again in the 2000 season.

To all the affiliated clubs of the SASF we thank you for a competitive season and we look forward to another competitive year in 2000.

DEPARTMENT OF INDUSTRY & TRADE

ADELAIDE HILLS

Postal Address

Adelaide Hills Soccer Club (The Hawks) Inc.
PO Box 712, Bridgewater, SA 5155
Telephone: (08) 8339 5638 Mobile 0414 339 563
Facsimile: (08) 8339 1986

Despite the ups and downs of 1999 a number of positives have emerged for the Hawks. The second half of the season saw good wins over each of the top teams in the competition – a feat not achieved by any other club up to that time! The first team finished the season on a high note by reaching the quarter-finals of the Federation Cup, going down only to the eventual winners of the competition. Many of the Club's younger players were included in the side for this competition, gaining valuable experience, which augurs well for the future of the team and the Club.

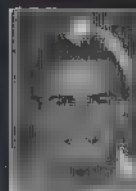

Our U23 team performed remarkably well, particularly in the second half of the season, and only narrowly missing the finals.

The U19 team reached the finals for the second successive year. This team was clearly one of the top four in the competition throughout the season. Congratulations must go to Jonathon Gomez, the team's main striker, who was joint winner of the SASF Rab Jones Trophy for 1999.

The future looks bright with some very talented young players coming up through the ranks of our junior teams from U11 to U17. The benefits of the Club's junior development policy is being realised with the senior coaches beginning to have the enviable dilemma of having an ever increasing number of highly talented young players available for selection. The 2000 season will see some rebuilding, but might well result in a few surprises for our competitors.

The Committee would like to thank our sponsors and all those who contributed in any way to the Club's operations, both on and off the field throughout the year. Your support and efforts are greatly appreciated and vital to the continued success of the Club.

The Hawks look forward to 2000.

The 1999 season was approached with great optimism after the disappointment of losing out in the 1998 top five play-offs through the Golden Goal Rule.

Once again our three senior teams were successful, finishing second in all three competitions. However our senior team once again managed to lose in the Preliminary Grand Final in a most disappointing manner. We did have something to cheer about with our Under Nineteen team maintaining their excellent form in the league season to win their section of the top five competition with a magnificent display of total football. This display was all the more pleasing when you consider the average age of this team was only sixteen. Proof that our youth policy is beginning to produce results and quality players. We are fortunate to have secured the services of Greg Kavinovic as Senior Coach for the next two seasons and wish Greg every success in his endeavours to achieve, his, along with the Club's, ambitions to succeed to the top level.

Once again we must thank our sponsors for their continued support during the past year and look forward to their continued support into the millennium. The Port Adelaide Enfield Council support has again been welcome along with the cooperation and assistance of their staff.

NOARLUNGA UNITED

Postal Address

Noarlunga United Soccer Club
PO Box 464, Morphett Vale, SA 5162
Telephone: (08) 8326 2855 Facsimile: (08) 8326 2855

On reflection one must feel proud and just a little disappointed that we didn't reach the top five. Our 1999 season started out poorly, with a good run in the middle and another downturn at the end when our inability to score let us down. However, one must remember that we were always competitive and under the guidance of Gary Price we hope to improve on last year's results.

The Management Committee welcomes both Andy McArdle and Steve Marsh to our coaching staff for season 2000. With the dedication and enthusiasm shown by our coaches we look forward to a promising future.

There is a renewed feeling of optimism at the Club both on and off the field. We have turned the corner and with the enthusiasm also shown by our Marketing Manager Adam Longshaw we have committed ourselves into relaunching Noarlunga United into the new millennium.

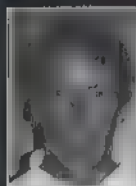

One must also mention the new look our Club is embarking upon. Not only are we striving to continue being the leading State League Club in the South, work has also commenced on refurbishing our Clubrooms and improving our grounds.

As already stated Noarlunga United are working towards the new millennium with renewed enthusiasm and with the help of our Coaching Staff, Players and Supporters we can only continue to prosper.

Telephone: (08) 8632 2231 Facsimile: (08) 8633 2230

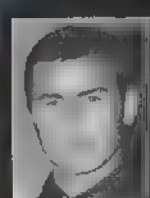

The 1999 Season for the Northern Demons was one of stabilization both on and off the field. In its inaugural Season in the SASF Smoke Free State League, the Northern Demons showed its counterparts that the Virtus Soccer Club has the ability to meet its long term objectives which include being the most successful team in South Australian Soccer.

The changes necessary for the Northern Demons' move to the SASF State League were adequately handled by this Club rich in history and tradition. Both administrators and players are now well equipped to stamp their mark in the year 2000. The appointment of Senior Coach, Rick Cerracchio, shows the commitment of Northern Demons to achieve success. Rick's experience and skills will be instilled in the Northern Demons' young brigade, to play a unique brand of soccer during 2000.

The Club continues to attract the support of many local and Adelaide sponsors. Its corporate Sponsors include FAIRMONT HOMES, GADALETA STEEL FABRICATION, HUNTER FINANCIAL SERVICES, INTERNATIONAL HOTEL, MARK HANLON SPORTSCENE, NT COMPUTER WORLD. The valued association with such quality sponsors paves the way for future success for the Northern Demons.

The Northern Demons will look forward to Season 2000 as the dawning of a new era. Although attracting strong support from Port Pirie, this Club also has a strong contingency of Adelaide based supporters. Its supporter base is now looking for results in the Season 2000 State League.

Regency Lions Sports & Social Club
Perth Street, Ferryden Park, SA 5010
Telephone: (08) 8268 2072 Facsimile: (08) 8268 2112

The Olympians Soccer Club endured its most forgettable season in 1999 as it went winless through the entire season and was relegated to the State league for the year 2000. The club has recognised this drop in status as a defining moment in its history and with a steady resolve it is determined to regain its position in the Premier League. An ambitious and successful restructuring of

the Club's administration, finances, playing and coaching staff was undertaken during the off season. Although this restructuring resulted in the demise of the Olympians Soccer Club it has enabled the launch of a new, exciting and extremely well resourced organisation onto the South Australian soccer scene.

The year 2000 will see the birth of the Olympic Football Club with a new and dynamic administration, new colours of blue and white, and new home ground and licensed premises at Ferryden Park and major sponsor Distinctive Homes

Under the guidance of its new coach, former Soccerroo Branco Milosevic and in a determined effort to gain promotion for the year 2001, Olympic Football Club has built a tremendously talented and youthful squad based around the old Olympians team and the core of the 1999 Federation Cup Winners, West Adelaide. Branco promises that his team will deliver an entertaining, skilful and winning brand of football.

Season 1999 might have been forgettable for most old Olympians supporters but season 2000 will be remembered by all soccer supporters as the year the Olympic Football Club came to town.

PANTHERS SOCCER

DARE TO WIN

Our first year in Senior competition was an experience in itself. Looking from the outside there appeared to be few positives, however there were in fact, many things that will underpin our future as a club and it will only be a matter of time before we become a real force in the SASF.

The average age of the first team squad was just 21. 12 lads under 19 played more than five first team games, with eight of them more than 12. Many teams we played probably underestimated the age of our players. The Under 23's who started badly and finished poorly in fact had a winning run of nine games on the trot mid-season and defeated the Champions in the only game they lost for the season during this run.

The 19's were mainly under 17's and managed a respectable season given their experience.

The depth of talent coming through is significant especially when we look at the performance of the teams in the Junior Federation. The panther Juniors, South Adelaide, were comfortably the best performed Club in the Junior Competition overall. The signs for both sets of players look promising for 2000, although we still expect to concentrate on development. We have bolstered our ranks with a couple of experienced senior professionals, signed to help bring along the rich vein of young talent at our disposal.

This year will see a selected Junior team making what will become an annual pilgrimage to the JK to play against teams in the Premier League, 1st and 2nd Division Clubs.

Other highlights included two night games which were a first for some time in the State league - gates of more than 600 were attracted - enjoyable evenings for everyone involved.

1999, what a disappointing year it was. With the talent at our disposal we were confident that we would manage to stay in the Premier League, but this was not to be. The fact of the matter is we played some attractive football and were unlucky in a number of games but just couldn't

score goals. It was very frustrating for coaches and patrons alike. Once again we were successful in hosting the State Junior Championships in June, and the 7th Australian Masters Tournament in October, both of which were a great success. Our venue is getting praise from all over Australia for its setting and the playing condition of our pitches. Of course, credit for this must go to our Council and its staff for the way in which it is maintained. All being well, in September our venue will again be put to very good use by hosting some training sessions for the Olympic teams coming to play in Adelaide.

Our junior players continue to shine, with ex player Louis Brain and Aaron Goulding representing the "Joey's". Niall Fay after less than a year at SASF has been invited to the AIS and also looks like getting trials in the UK.

Without sponsors where would our club be? We are most grateful for the support we have received from our Major Sponsors, Bruce & Stuart Cutler of Parafield Traders (now to be known as "The Good Guys"), The Settlers Hotel, Miles Spray Painting & Repairs and all our sponsors.

Port Pirie City enters its 5th season in the South Australian Soccer Federation and already has had two shots at the State League finals playoffs. City,

which adopted the popular 'Spirit' nickname during its 50th Anniversary Year in 1999 had a fine Anniversary year with its gala bal., Club players both present and past, soccer identities, guest clubs and sponsors enjoying the glittering evening.

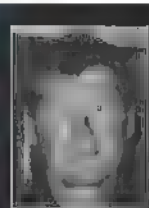

City last season did improve its playing stocks by signing on several good and highly experienced players. Steve Farrugia (ex Port Adelaide Lion captain), exciting forward John Christopoulos (Adelaide Raiders) and talented keeper Darien Bauer.

City, with new coach Ashley Hunter at the helm, did perform very well throughout all grades. City youngster Paul Edmondson was joint winner of the Rab Jones Trophy and in the Under 23s Colin Turci led that team to 7th position.

For season 2000 the Spirit unanimously reappointed Ashley Hunter for a second term and is expected to keep all its players as well as adding to its squads for the new Olympic season. Club Chairman, John J Bellifemini enters his fifth term and invites Pirie's youth to join the Club and participate in the Club's future challenges in Soccer SA.

The Port Pirie City Soccer Club is grateful to major sponsors Premier Stateliners, Distinctive Homes, Central Hotel/Portside Tavern, CSR Readymix, Discount City Carpets and National Foods, and indeed every other sponsor associated with the Club. The Club likes to acknowledge the Port Pirie Regional Council for its support and assistance offered to the Club in the past 50 years of soccer, and congratulates its valued Vice Patrons.

The "Spirit" is looking forward to the new millennium and likes to wish the SASF, all club coaches, players and managers along with all fellow Federation clubs good luck for Season 2000.

THE APACHES

1999 was one of the best seasons Salisbury United has experienced for some time with all three senior teams in the Top Five Finals - First Team finishing fourth in the Top Five; the Under 23s winning their league and the Grand Final; Under 19s second in the Top Five Finals and Runner Up in the Bailetti Cup.

Our junior teams also fared well - U17s and U11 winning their respective Cup Finals; the U14s finishing first in their league; the U15s second in their league.

Senior Coach Dave Johnstone announced his retirement at the end of the season after building a truly competitive team to make Salisbury United a force to be reckoned with. The new Senior Coach, Ray Deeley, inherits a strong playing unit to continue the work as we head into 2000 and beyond.

During the closed season a lot of work has gone into future planning and we believe that, as a result, Salisbury United is well placed to further advance the cause of soccer in the northern area.

Last year was Seaford's revival into the State League and as per usual was not an easy year, however, even with the difficulties of fair performances, changing management staff and injuries, we still managed to perform better last year than the three years prior. The year 1999 was a building year to start our resurgence to a competitive standard, which is shown by our successful 8th placing in the State League.

This year under the continued guidance of David White and staff, Seaford Soccer Club believes that it will be able to reach the Top Five series. This will be a challenge, however Seaford's commitment in developing the youth into first class players will see us reach our goals.

We would like to thank all our loyal supporters for their support over the past year and will attempt to provide the most exciting football in the State League for season 2000.

1999 was a year of transition for the Club where a major move was achieved to settle the Club's tenure on a long term abode at Carnegie Reserve, Royal Park. The move promises to hold the Club in good stead for its future aspirations with the premises providing adequate facilities for the proper functioning of the Club's operations.

There were major gains in 1999 particularly at senior level and just below at Under 15, which augurs well for future prospects. Our senior team almost doubled their efforts in 1999 compared to 1998, when measured on the premiership table and provided credibility in their efforts in the Federation Cup. A further improvement in the team's fortunes is expected in 2000 with bolstering of the playing ranks and the application of greater resources towards their efforts.

Of particular promise and encouragement is the title won by the Club's Under 15 squad, the first for the Club under its new identity as the Western Strikers, and who should in the not too distant future make their mark at a higher level.

The forthcoming season is anticipated with optimism, focus and direction and all are committed to achieving further success. Ground and infrastructure upgrades will reflect this optimism as we prepare for the next century. With the transition and establishing phase over, the stability the Club now enjoys gives new confidence that the Club can make the next steps to advance its profile within the soccer community and strive for recognition in the form of titles at the higher levels. The personnel assembled and their dedication and commitment to the tasks at hand should see 2000 as a cornerstone year in the short history of the Club.

Posterity will judge whether these convictions prove correct.

A quick glance at the honours list, shows that Steel United had their best season of their twenty five year history. They won four of the six trophies on offer and took out three of the five individuals awards. Coached by Gary Hedger and David Sharp the green machine from Magill Park played attacking soccer throughout the thirty four week season and deserved all that came their way. Lions won the ACCU League Cup final, played over two legs, by defeating Port Lincoln on aggregate five-two, Port Lincoln in their second season played well in the league cup, but fell away somewhat in the League and Association Cup competitions.

Wanderers reserves won the reserve grade championships in top style dropping only one point out of a possible twenty four. In the ACCU League Cup they used the competition to put the team together, won the League championship and lost the Association Cup final on a extra time penalty against Steel Utd.

Port Lincoln deserve a special mention. They reached the ACCU League Cup final in their second season but as mentioned lost their way in the two remaining competitions. On the individual side Steels Tom Jackson completed a rare NASA double when he took out the best player award and the league top scorer award.

At the time of writing the following coaches have been appointed for the year 2000:

PORT LINCOLN	David McCalden
LIONS	Gary Hedger and David Sharp
STEEL UTD	Stuart Birch and John Hunt
WHY CITY	Colin Papadopoulos and Ken McCail
WESTLANDS	Tom Mitchell, David McComish and John Birch

SUMMARY OF RESULTS

Best Discount Soccer Specialist In South Australia

We have the biggest range of Kappa gear in South Australia. Did you know that Kappa boots have been designed using only optimum quality materials treated using an exclusive tanning procedure? They have been assembled with assured craftsmanship, combined to offer the essential technical elements required for high performance football boots:

- water repellency
- strength
- ultra soft leather
- easy fit
- adaptability to all conditions and terrain.

The "player" boots are Italian made with direct input from some of the world's best soccer players (e.g. Ciro Ferraro - Juventus).

Internationally, Kappa is famous for its sponsorship of Juventus. Kappa is proud to have been involved with one of the world's best teams for the past 20 years.

Proud to support the World game

Although the Riverland is only a small association consisting of five clubs, they field teams from under 10's to A-grade. Most Riverland towns support their local club and take their soccer very seriously.

Junior soccer is growing in leaps and bounds and is being played by both boys and girls who compete together in great spirit before huge crowds on Saturday mornings. The under 10 games are non competitive and consequently have no league tables.

Olympic, under the guidance of Steve Poutakidis, dominates local Junior Soccer with their Juniors involved in finals for U/12, U14, and U16. Olympic Juniors were also the top goal scorers in both U12 & U14 and won the best and fairest in U/14 & U16.

Riverland Junior Representative teams played in the 1999 State Championships in Elizabeth and although they played hard and well they found teams like Elizabeth & Districts too strong on the day.

Riverland did however win the most sporting Association trophy and were runners up in the U/14's which augurs well for the future.

Senior Soccer is also doing well in the area with Barmera Utd having a magnificent year in "A" grade not losing a game under the guidance of coach George Elefthriadis. They started the year with a great winning streak in the pre-season Norman's Wines Night Cup competition and continued on their winning way right through the Premier Sports premiership season and into the top four cup final. In the final they had a convincing 3-0 win over Renmark Stars.

In 1999 the Senior Representative Squad was made up mostly of young up and coming players with lots of promise. In previous seasons the tendency has been to rely on older more experienced players, but new coaches Larry Sullivan and Chris Godder played the younger guys to enable them to gain valuable experience and this is really paying off. Within another season or two these lads will combine to be one of the best sides the Riverland has produced. We owe a huge thank you to our Major Sponsors, Premier Sports, Norman's Wines, Steel Line Garage Doors, Office for Recreation and Sport, Riverland Steel Supplies and Waikene Honda without whom we couldn't function.

1999 will be remembered for events off the football pitch as much as on. The Association's constitution rules and regulations came under intense scrutiny in 99 with involvement of officials at WBSA level. On more than one occasion up to four clubs were faced with disputes with the Association Board over infringements of varying nature against the competition's constitution, rules and regulations.

The Association AGM was largely a reconciliation and reconstruction affair in order to get the competition constitution, rules and regulations rectified.

On the pitch, Gambier Centrals won its second successive A grade league championship, ironically in the same fashion it had done so in 1998 by goal difference. Runners up International, although coming with the same points as Centrals had the inferior goal difference. However Inter compensated for the heart break of missing the league by winning the Shadows Cup Final to deny Centrals the double defeating them in a memorable classic, 2-1.

In the B-grade International continued to dominate the league winning its 7th title in the nineties while close rivals Apollo won the Shadows Cup Final 3-0 over Pt McDonnell.

The A-grade title chase was headed for a long time by Mt Gambier Knights until Centrals emerged as the frontrunners. Some superb quality football was played throughout the season.

Junior football received a boost in 1999 with the U13 Western Border squad winning the State country championships in Whyalla and with the injection of funds the centre of coaching development squad ensured the progression of the regions junior players. A two game series against the SASI Development Squad was a fruitful exercise with state level observers at the games.

The senior team played one representative game losing to NASA 1-0 at Hindmarsh Stadium as a curtain raiser to the Adelaide City Force - Carlton game.

Attendances at WBSA games were fair, and the gate at the Cup Final was very good considering the Grand Final of the local Australian Rules League was on at the same time. The Association received handsome sponsorship dollars and widespread coverage through press, TV and Radio, in order to promote the game.

The future and the next century looks bright for WB soccer as the Association and its clubs endeavour to increase the profile and standard of their football.

COLLEGIATE SOCCER LEAGUE REPORT

MICHAEL HIHIMANIS - CHAIRMAN

The Collegiate Soccer League (CSL) is an associate member of the South Australian Soccer Federation, and it comprises of teams nominated by universities, colleges and high schools, which have been accepted by the CSL Council.

The objectives of the CSL are to promote, organise, control, and encourage good sportsmanship in soccer matches and competitions for students and graduates of universities, colleges and high schools.

The CSL was formed in 1981, with four clubs fielding eleven teams in one division of which seven teams were previously playing in the SASF metropolitan 2nd and 3rd divisions.

Since its inaugural year, the CSL has expanded, welcoming more clubs and their respective teams. Last year saw a league competition comprising thirty one (31) teams which was split into three (3) divisions from the start of the season. There were eleven (11) teams in each of Divisions A1 and B1 and nine (9) teams in Division A2.

Each year traditionally begins with a pre season Carnival, with all clubs invited to participate in a one day tournament. As well as the League Championships, the Collegiate Cup is contested with teams playing each other in a knockout competition - each season culminating with the Cup Final.

I would like to congratulate all of the 1999 season's trophy winners. They are as follows:

- Pre-season Carnival was won by **University White**, who defeated University Blue 3-0 in the Final.

- **Division B1** League Championship was won by **Mercedes Old Collegians**, which won 18 matches and scored 90 goals during the 20 match home and away season. The runner-up was Rostrevor Old Collegians.

- **Division A2** League Championship was won by **University Dodgers**, which won 13 matches and scored 73 goals during the 16 match home and away season. The runner-up was Old Ignatians.

- **Division A1** League Championship was won by **Flinders Rangers**, which won 14 matches and scored 50 goals during the 20 match home and away season. The runner-up was Mercedes Old Collegians.

- **Collegiate Cup** was won by **University White "A"**, who defeated Prince Alfred Old Collegians A 3-2 in the Cup Final.

Finally, I would like to congratulate the Collegiate Soccer League, on yet another dynamic, successful, and enjoyable season, and sincerely hope that the 2000 CSL season will be one of good sportsmanship and outstanding soccer for all of the players and their respective clubs.

COACHING DEVELOPMENT REPORT 1999

During 1999, the last year before the new millennium, soccer in South Australia has seen many changes which have enabled it to keep ahead and abreast of trends throughout Australia.

The revamped Hindmarsh Stadium is one of the best grounds in Australia and will be ready for the challenge of the Olympic Games in Adelaide in the Year 2000.

A new national coaching system was introduced from 1st January 1999 which brings Australia into line with the rest of the world.

The Development Programmes are continuing to produce excellent results within SASI, the Development Squads and at club level.

The benefits and proof that these programmes are working is the fact that five players from South Australia were selected in the final J/17 National Squad to compete in the World Cup in New Zealand.

The regional coaches are now being recognised by the clubs and are in great demand.

COACHING

South Australia was the first state to conduct coaching courses under the new system when in January 1999 the National Manager for Coaching and Development, Jim Selby, visited Adelaide to launch the new system.

He was full of praise for the quality of participants and the quality of the South Australian instructors.

The number of coaches who participated this year exceeded all expectations and the feedback was extremely encouraging for the future.

The following chart indicates the qualifications coaches are required to have in the 2000 season in order to coach in their respective age groups.

COMPETITION	LICENCE REQUIRED SCHOOLS	LICENCE REQUIRED FEDERATION	COURSES CONDUCTED BY
NATIONAL LEAGUE NEW LICENCE BY INVITATION ONLY	—	JUNIOR INTERMEDIATE SENIOR - STATE NATIONAL LEAGUE	SOCCER AUSTRALIA
U-23 AND SENIORS	—	JUNIOR INTERMEDIATE SENIOR AND STATE OLD LEVEL (3)	STATE FEDERATION
15 TO 19 YEARS OLD	JUNIOR INTERMEDIATE OLD LEVEL (1)	JUNIOR INTERMEDIATE AND SENIOR OLD LEVEL (2)	STATE FEDERATION
6 TO 14 YEARS OLD	JUNIOR OLD LEVEL (1)	JUNIOR AND INTERMEDIATE OLD LEVEL (1)	STATE FEDERATION

The new licence system is now in place and licences will be issued to all qualified coaches once Soccer Australia finalises the printing requirements of each licence.

National Coaching Scheme (From January, 1999)

Competency	Soccer Australia Award	Course Time (Hours)	Conducted by	ACC Accreditation
International	Pro Licence	120+	Soccer Australia	Level 3
National League	National Licence	120+	Soccer Australia	Level 3
State League	State Licence	30+	State Federation	Level 2
Senior Club	Senior Licence	60+	State Federation	Level 2
Youth Club	Intermediate Licence	24+	State Federation	Level 1
Junior Club	Junior Licence	16+	State Federation	Level 1
Rooball	Introduction to Coaching Certificate B+		State Federation	N/A

The SASF Regional Coaches were introduced into the new system as official instructors and will provide the state with high quality instructors for many years to come.

DEVELOPMENT

The Development Programmes are continuing with positive organisation, quality coaching and true communication between coaches and players.

The standard and quality of the individual players has increased rapidly and the discipline and commitment of players and parents provide a steady base for a healthy future.

The under 13 and 14 Development Squads continued their programmes throughout the year with some additional players being selected into the squads.

The squads travelled to the Riverland and Western Border to promote the game and at the same time give the opportunity to some country players to show their potential.

During the year the new U/12 Development Squad was selected after identification of players through various methods such as clubs, SAPSASA Championships, State Championships, Country Championships and games during the season.

The links between the SASI Squad and the Development Squads are very strong and the professional relationship between the coaches with regards to programmes and development show in the quality of the squads' performances.

There has been a significant improvement in the involvement and contribution to development at club level, which obviously has a lot to do with the relationships created between the clubs and the SASF Regional Coaches.

REGIONAL AND AREA COACHES

Another South Australian Soccer Federation success story. The programme which was implemented during 1998 has continued to flourish and has been in constant demand during 1999.

Last year the fifth Regional Coach was nominated and the Adelaide area was restructured for all the Federation clubs, with the result being that more sessions were able to be conducted at individual clubs.

The Five Regional and two Country Area Coaches were also involved as instructors on many courses conducted by the federation during the year. Further the Regional Coaches visited the country areas to help with their Development Squads and conduct clinics in their respective areas. Training sessions

were also conducted in the Adelaide Hills.

In view of their responsibilities to clubs, coaching courses, country trips and attending SAPSASA, State and Country Championships, their commitment to their respective State Development Squads was outstanding and the results speak for themselves.

NATIONAL TALENT IDENTIFICATION CHAMPIONSHIPS - CANBERRA

UNDER 16

The under 16 group were plagued with injury right to the end of their preparation and it was only in the last weeks that Zoran Maricic was able to settle his squad.

As it was the team performed very well from the outset of the tournament and remained competitive all the way through.

The team was well organised and focussed and formed a tight team despite having some strong personalities among the group.

They finished top of their group beating the eventual winners Victoria and competing this stage with maximum points.

The semi final was against New South Wales but despite a gallant effort the team went down 2-3 with a golden goal settling the game.

Three boys from this squad were selected in the AIS intake. Nial Fay, Mimi Saric and Andrew Carman were the players.

The group represented South Australia with distinction and all must be congratulated.

UNDER 15

The under 15 group left a big impression on the championships with their flair and attacking play. The 3-1 group victory against Victoria was widely acclaimed as the game of the tournament and the best for many years.

At the end of the day the team won the group but lost the semi final against Western Australia. The rainy heavy conditions on semi final day went against the boys but full credit to the sandgroppers.

At the end of the tournament seven South Australian players were selected for the under 15 talent ID camp. Fred Agius, Russell Waller, Adam Van Dommele, Mario Karlovic, Terry Smith, Tom Radford and Ben Abridge were selected.

South Australia can be proud of these teams performance proven by the fact that we had more players selected on the camp than any other state.

Areas: Renmark, Loxton, Berri,
Barmera
Clubs: 5

School Clinics

The demand for soccer clinics at schools increase each year and the popularity of these visits, by the S.A.S.F. Development Officers, shows in the number of players coached, approximately 30,000.

Both Boys and Girls were introduced to the basics of soccer and the response to these clinics from the teachers and children was unique in their praise for the quality and high standard of the sessions and coaches.

Richie Alagich coordinated all the visits and in conjunction with Airton Andrioli, Anthony Breen and Michael Pirone conducted an enormous number of visits to the schools.

The Office for Recreation and Sport supports all school programmes and many clinics are already booked for the year 2000 and this will only increase with the proximity of the Olympic Games.

The following schools and promotional activities were conducted during 1999, with many schools receiving multiple visits.

STATE CHAMPIONSHIPS

The State Championships were again conducted at Para Hills SC in conjunction with the S.A.S.F.

The standard of the teams was very high which enabled state coaches to identify and select additional players for their respective squads.

The competition in these championships was more evenly balanced than in previous years due to the selection process which allowed existing State Development players to be distributed more equally between teams.

Para Hills SC like always was a fantastic host providing superb ground facilities and an extremely good service to the public.

The Finals results were as follows:

Under 11 East 2 v 0 South
Under 12 West 2 v 1 North
Under 13 East 1 v 0 West

Under 14 West 3 v 1 South
Under 15 South 2 v 1 West
Under 16 West 1 v 0 East

SAPSASA CHAMPIONSHIPS

Once again SAPSASA provided a great source of choice with regards to players, due to the large number of teams participating.

A total of thirty (30) teams from the city and country areas participated in the week long competition with more than 500 young players showing their potential in front of thousands of parents and friends.

The organisation was second to none and the busy figure of John Marciniak running between grounds provided the championships with a great host.

SASI
1998/99

SASI/ITC HEAD COACH - MARTYN CROOK

This year will go down as the most successful since the beginning of the program in 1984. With record numbers in AIS and National squads, South Australia continues to be recognized at all levels of the game.

On the International scene, the year started well with David Terminello and Anthony Breaden representing Australia at the Under 20 World Cup in Nigeria. Travis Dodd was unlucky to miss selection after injury forced him out of contention. The Finals proved to be an eye opening experience for the team as the competition was held in extreme heat and primitive conditions. Australia bowed out of the competition at the group stage and returned home with many stories of their stay in Nigeria.

The Under 17's (Joeys) started the year with qualifiers in Fiji and easily won the competition. South Australia was represented by six SASI players, Matthew Mosevic, Lucas Panteis, Louis Brain, Aaron Goulding, Iain Fyfe and Mimi Saric played in the tournament. Mimi Saric's inclusion was particularly meritorious as he made the squad despite being one year younger than the rest of the group.

The next step was a two-legged qualifier against Bahrain, and Australia won through with a 2-1 win in Canberra followed by a 1-0 victory in Bahrain. Louis Brain scored the vital goal in the away leg. When the final camp was held, Paul Karittevis joined the group but along with Mimi Saric was unlucky to miss final selection for the World Cup in New Zealand. Paul sustained an injury which required surgery and was forced out of contention, while Mimi's youth was a bonus factor, although the experience he gained was valuable.

At the World Cup Australia proved once again that at junior level it can match anyone in the World. The Joeys produced an outstanding effort. It is history now that they reached the final of the competition only to lose in the cruellest way, the dreaded penalty shoot out. For a soccer player there can be no higher achievement than to play in a world cup final and for our five boys it was a dream come true. Not only have they done their families and friends proud - but the whole of South Australia - and they will be used as a source of inspiration for the young players of this state for years to come.

Following the National Youth Championships in Canberra during October, the 2000 AIS squad was announced from the under 16 age group. SASI provided

three players for the intake. Mimi Saric, Niall Fay and Andrew Carman were all offered scholarships. This follows outstanding success with the 1999 AIS squad when four SASI players won scholarships - Lucas Panteis, Liam Reddy, Elias Demourtzidis and Mark Graham were the players.

A camp was also held for the Under 15 group, as these boys will form the nucleus of the 2001 Joeys campaign. Six SASI members were named in the thirty players who attended the five day camp with youth coach Les Scheinflug - Fred Agius, Mario Karlovic, Russell Waller, Adam Van Dommele, Terry Smith and Tom Radford were selected.

On the domestic front SASI continued to perform well. The team operated with an average age of fifteen years and nine months, the youngest squad so far. Despite this, we reached the final of the Summer Youth League, beating both National League teams on the way. In the final we were defeated 1-0 by Adelaide City, ironically losing to a goal scored by former SASI captain Michael Cartwright.

In the winter Under 23 Smoke Free Premier League, SASI repeated the achievements of 1998 by winning the minor Premiership and Championship. The final played at Hindmarsh was against West Torrens Birkalla, and despite losing all other games against the Eagles during the season, on this night SASI was triumphant. The single goal was scored with a golden goal winner by Frank Cemente.

SASI players were again the target of overseas clubs with several players approached. Currently Terry Smith and Andrew Carman are at Everton, Niall Fay with Leeds and Scott Tunbridge with Hartlepool. Several others are due to try their luck once current commitments are completed.

Once again the SASI organization sponsored a coaching scholarship. This year's were awarded to Elvis Markov and Nick Stamatoopoulos and both proved valuable acquisitions for the squad. As in the previous year SASI hosted delegations from junior clubs at its training sessions. These sessions, organized by regional coaches, were well received and valuable to all concerned. Presentations by SASI sports science representative Evan Stilwell were of particular interest. The players participated in individual training programs, weight training and dietary, drugs in sport and time management lectures.

This year has been a great success and there are many people to thank for their contributions. The South

Australian Sports Institute under the leadership of Director Wes Battams, is a forward thinking and progressive organization. The staff is motivated, professional and dedicated to the pursuit of sporting excellence. Special thanks go to Wes, Program Managers Terri Lamoree and Geoff Pearce, Sports Science, Evan Stiwe, Strength and Conditioning, Craig Coddick and Athlete Career Education Manager, Dee McLean.

Thanks must also go to the Chairman of the South Australian Soccer Federation, Les Avery and the Board of Commissioners. Special thanks to General Manager, Tony Farrugia, and Commissioner for Juniors, Jeff Widera, to the staff at the South Australian Soccer Federation, Rodger King, Katie Howells, Matt Cross, Matt Smith, Beth Hockley and Morika Zochowski, to the Regional and State Coaches, Brenton Hiern, John Mundy, Terry Hayes and Zoran Maricic. Congratulations to Terry and Zoran for their success at the National Championships.

Thanks also to our sponsors Trio Hinging, IHK Products, Lotto Sports and Supreme Kitchens.

Last but by no means least, thanks go to my dedicated and enthusiastic staff. Goalkeeper coach Chris Terpcou, trainer Nick Joy and Manager John Brannigan - all have contributed greatly to the success of the

program and it is a pleasure to work with them.

This year the program has lost two of its most valuable members. Carlos Buzzetti has been a source of inspiration for the program since it was first formed in 1994. Carlos has accepted the position of National Coach of Vanuatu and his input into the squad will be missed. After six years John Evans has stood down as the Assistant Coach. John's work with the players has always been outstanding and his dedication and commitment to the program will be sorely missed. There is no doubt John will be inundated with offers once the news of his departure is circulated.

All the players and staff at SASI thank these two gentlemen for their work and support in the years of the program. They have both contributed greatly to the success.

In March this year the Institute recognized the program when we were awarded the trophy for the Team of the Year at the South Australian Sports Institute Awards Night. To say that former winners of this award are the Adelaide Crows and the 36ers shows the calibre of teams in the running. This was indeed a great honour and all of soccer can take pride in this outstanding achievement.

JUNIOR COACHING & DEVELOPMENT

JEFF WIDERA - COMMISSIONER

In a year fraught with unprecedented turmoil at Senior (National) Club level, together with the difficulties associated with the completion of our Government backed Hindmarsh Soccer Stadium, it is indeed heartening to report that the area of Junior coaching and development has again proved itself to be one of the most visibly successful within the South Australian Soccer Federation in 1999.

This success is due to a few key factors:

Firstly, as a result of continued foresight and considerable financial commitment of the Federation to the programmes administered by this section.

Secondly, and very importantly, due to the dedicated work of a team of highly skilled and enthusiastic Coaches and support staff, whose professionalism is both recognised and admired within and outside our State.

Thirdly, through the growing support of our Clubs to the programmes offered. Clearly, the Clubs now recognize the importance to them of the programmes conducted by the Junior development section in developing the Senior players of the future, a number of whom will go on to play at elite levels.

Administration of our junior leagues continues to be admirable. Through the efforts of the Commission for Junior Competitions, the Junior Premier League Management Committee and the Federation staff, much has been achieved in the elevation of junior playing standards, through the provision of League competitions of outstanding quality, as well as the State Championships, always a highlight in our calendar.

It is particularly encouraging to see more and more Clubs not previously aligned with the South Australian Soccer Federation now enthusiastically seeking admission into our competitions.

Our elite Development Programmes have again been ably conducted by five metropolitan Development Coaches and two Regional Coaches, one each in the Riverland and Western Border Districts.

Our State Teams did us proud at the National Talent Identification Championships in Canberra, both advancing to the semi-finals.

Six of our Under Fifteens were selected in a preliminary Joeys Squad (2001), and at least three had UK Scouts in a lather over their considerable ability. Three of our Under Sixteens were offered Scholarships at the Australian Institute of Sport.

All this, together with the outstanding achievement of our gallant five South Australian Joeys who participated in and won a Silver Medal at the World Under 17 Championships in New Zealand, speak volumes for the quality of the development and identification programmes in South Australia.

We should all be justifiably proud of our talented Junior Players and of the programmes so ably administered by their Coaches, providing them with a very real pathway to the fulfilment of the dream of playing on the world stage.

Our SASI Programme is recognised nationally as one of the most successful in the Country. This Programme continues to produce players of immense quality ready for the rigors of Senior football within South Australia, nationally and beyond.

The Senior Coach, his staff and the (recently resigned) Manager of Coaching and Development, are to be congratulated for their part in the maintenance of a programme of consistently high standard.

I should like to thank and acknowledge for their support, the SASF General Manager, his able Federation Staff, the Board of Commissioners, our Coaches and Member Clubs in contributing to a most successful year and look forward to even greater achievements in Season 2000 and beyond.

JUNIOR PROGRAMMES 1999

ARTHUR DI FEDE - COMMISSIONER

In the past two years, as Commissioner for Junior Programming, I have seen many changes within the administration of Juniors. Initially in 1998, a full time Administrator plus an Assistant were responsible for the Junior operation, however midway through 1999, the Junior Administration had returned to just one temporary position.

In the Year 2000, after restructuring of the total office administration, a full time position will be dedicated solely to junior matters.

The growth of Junior Soccer within the South Australian Soccer Federation is extremely strong. The participation level enabled a Championship to be played at the Para Hills Soccer Club during the June long weekend. The response to the event was extremely pleasing and rewarding for all those involved as the attendance by family members and Soccer fans alike was encouraging.

With Hindmarsh Soccer Stadium unavailable due to Stage Two reconstruction, the Para Hills Soccer Club was again called on to host the Junior Cup Finals in September. The games were staged successfully and appreciation must go to all the Club Officials and people who supported the Federation with the operation.

The 1999 Season concluded at the Campbelltown City Soccer Club where the presentation of Medals and Pennants were made to the various recipients. The weather for the day was brilliant but the lack of attendance by some Clubs was extremely disappointing.

An encouraging aspect throughout 1999 was the Juniors received a very high level of support from the Board of Commissioners, Federation Staff and the Junior Premier League Management Committee and this was greatly appreciated.

In relation to the Year 2000, indications are that there will be an additional increase in the number of Juniors wanting to play Soccer in South Australia. The South Australian Soccer Federation welcomes al.

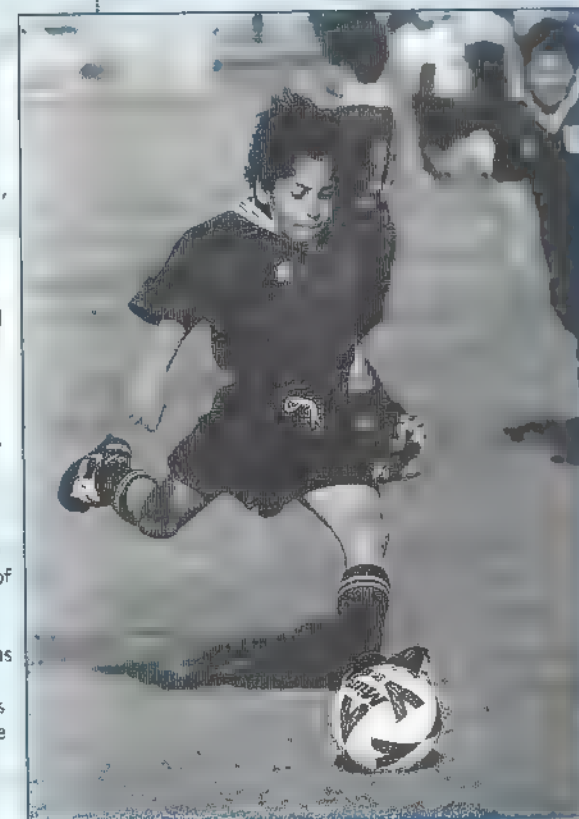

new players and Clubs into the Federation and wishes them well for the new Season.

The strength of a Club so often relies on Juniors coming through the ranks, not only as players, but as future Officials and administrators. It is with this in mind, that Clubs are urged to put a strong

emphasis on current facilities and administration requirements for Junior operations within their overall structure of operations.

we're smoke-free

SA SCHOOLBOYS SOCCER 1999

JOE LARECKI - COACH

South Australia had another successful year, this time in Canberra, taking out the coveted National Schoolboys Soccer Championship, "back-to-back". Full credit must go to each and every player for yet another excellent performance. Our success was due to the fact that we had a balanced squad of highly motivated, disciplined, committed and talented winners who readily bonded as a unit, had the right attitude and were prepared to play with purpose. South Australia played 6 games, winning 5 of these and losing a solitary game, which was a dead rubber as the Champions were decided before this last game was played. Lyndon Parry, Captain of the side, always led from the front. His maturity, work ethics and support on and off the field was appreciated by all. Our two deputies, Shane Maycock and Daniel Paterson were always on hand to assist and encourage as was Ryan Mitchell who was also the highest goal-getter in the Tournament scoring 8 goals. Four players, Lyndon Parry, Shane Maycock, Ryan Mitchell and Antony Ferrante, were selected in the Australian Squad to tour the UK. Luca Lucchesi made the Australian Squad which played NZ in October and will tour Fiji in the new year. Steven Townley got a late call-up for the NZ game. Nick Budin has been named as a stand-by player. These are all very capable players who should do well at the next level.

SA SCHOOLBOYS SOCCER SQUAD

PRO LEAGUES - HISTORY - STATE TEAMS - APPEALS COMMITTEE - TECHNICAL ORAZIO DICARLO - COMMISSIONER

The number of activities I have been involved in as a Commissioner of the SASF during the past 12 months has prompted me to provide a combined report for the 2000 year book.

These activities do interact with each other and provide valuable support to the operations of the code.

Let me however first register my appreciation to the Club Chairs and delegates who have attended the monthly Chairs' Meeting in a year that has been consumed with many issues outside the normal operations of the code.

Your patience and support is very much appreciated.

Secondly my appreciation to the Federation's management and staff for their support during times when resources were taxed to the maximum. I believe this was a great effort produced under trying conditions.

PRO-LEAGUES:

In terms of results both the Premier and State league seasons were milestone events with five teams vying for top spot at the last round of the Premier League and MetroStars winning promotion in their inaugural year within the Federation State league competition. Congratulations to Cumberland and Adelaide City on their success in winning their respective leagues.

The Grand Final event with 9000 in attendance was the culmination and indication of the success of both leagues in 1999.

In addition it was gratifying to see the attendance of young people at matches improving at suburban grounds, a signal which indicated the renewed interest in the game.

An expectation that this improvement will continue is not unrealistic with the success that the Joeys achieved at the World Cup. Provided we as a sport are committed to fostering and promoting the opportunity we will see further improvement.

In terms of other successes our pro-league has made great strides in a pressure cooker environment which the Federation has had to operate in during 1999.

Adelaide Blue Eagles and Raiders have led the way in 1999 with new and significant development

of ground facilities.

Continued support from other Federation Clubs by assisting the Federation Staff in providing facilities to the Federation for normal league, state and Olympic fixtures further indicates the level of support the members provide.

These include clubs such as Enfield, Para Hills, Noarlunga, Modbury, Campbelltown, Salisbury, Elizabeth, Birkalla.

The Clubs in recent Chairs' meetings have foreshadowed that they are looking to the Board for increased support in developing the Pro-leagues. With the past performance of the league as being one of the most stable and consistent sections of the Federation, it is a fair and proper request and should be addressed by the new Board of Y2000.

HISTORY

The History Committee consisted of 4 members under my chairmanship and met on a number of occasions this year.

Ms Shirley Brown, Nick Runjajic, Denis Harlow and I provided the Board with recommendations on issues and items such as:

- the SASF section of the Soccer Australia's Hall of Fame awards;
- the renovation of the SASF's Honors' Board;
- the development of a new award system for the SASF.

It is anticipated these initiatives will be adopted during 2000 and members will see the work that has been progressed especially by Denis Harlow over the last 6 years.

A massive amount of information about the Federation's past 100 years has been uncovered and the research and investigation has proved a very worthy labor by Denis.

SENIOR STATE TEAM

Although reduced in fixtures commitment in 1999 the Senior State Select team again proved a worthy exercise for the State Players.

With only SanFrecce Hiroshima to provide competition for their training camp, the Team again proved a worthy opponent.

Special thanks to the Clubs who made their valuable players available. Zoran Maric who

assisted by taking over the position following Adrian Santrac's call to the Olympic Squad and to the Team Management headed by Denis Harlow. The support staff included Joe Janko and Peter Duke with help from Brendon Helm as assistant Coach.

The year 2000 promises to be a busy year for the State Team with increased commitments to more J-league Training Camps and visiting qualifying Olympic teams staging their advanced Training Camps.

Clubs will again be called upon to provide their players who are always keen to develop their playing experience and skills by participating in competition at a higher level.

APPEALS COMMITTEE & DISCIPLINARY COMMITTEE:

The All Appeals Committee under my Chairmanship heard two matters this year.

In particular one of the matters considered was very concerning in that it highlighted some of the more ugly aspects the sport experiences from time to time.

In regard to the normal hearings on DC Committee matters, this proceeded again with efficiency and competency from our DC Commissioner Laurie Carbone and Rodger King our Administration Manager.

Special thanks to these two people who managed this sometimes difficult but necessary aspect of controlling the more spirited aspects of the sport's behavior and control administered by Referees.

Laurie was also able to attend a Chairs' meeting and addressed the group on DC practices and procedures. It proved a very informative session and will be repeated next year.

TECHNICAL

With the assistance of the Administration Manager Rodger King, workshops for the Clubs were held early in the year.

The aim was to update member Clubs on the technical aspects of

new administrative procedures that the Administration implements from time to time to service Club needs.

Included in this was a session with Referees on refereeing and new interpretation of the laws of the game.

It is expected that this will be repeated this year with the Main Topic, amongst others being the impact of the GST on our member Clubs and the Federation's administration.

The Administration is preparing information on the GST to be utilized by all involved within the Sport. This is further evidence of the Federation's Administration being active in planning and servicing the members.

SA STATE TEAM

RUGGED APPOINTMENT

The S.A. State Team Played only one Game in 1999 and this was against the Japanese J-League side SanFrecce Hiroshima.

The S.A. officials for the game were:

Coach: Zoran Maricic
Asst Coach: Brenton Hiern
Goal Keeper Coach: Chris Terpcou
Team Manager: Denis Harlow
Trainer: Peter Duke
Gear Steward: Joe Janke
Doctor: Tom Mittiga

The game was played at Hindmarsh Stadium on 21st February 1999 Kick-off 5.15pm and was a curtain raiser to the Adelaide City v Wollongong A-League Game.

Spectators were treated to a very fast, tough and skilful game of soccer with action at both ends throughout.

South Australia went into the Half Time Break leading 1 - 0 from a superb goal scored by Joe Barbaro very early in the game.

The SA Players performed extremely well against their professional opponents, but in the second half fitness began to tell and SanFrecce started to control the game and eventually scored twice to win the game.

After the game many SA players indicated that although the game was extremely tough, it was great to play at a higher level and against top class opposition.

STATISTICS FOR THE GAME:

South Australia 1 v 2 SanFrecce Hiroshima
 Venue: Hindmarsh Stadium
 Sunday 21st Feb 1999
 Kick-Off 5.15pm

SA TEAM

- 20 Archie Christakos
- 2 Rick Piotrowski
- 3 Paul Simmons (Capt)
- 4 Michael Cartwright
- 5 Greg Mills
- 6 Daniel Menechella
- 7 Sam Barbaro
- 8 Rick Cerracchio
- 9 Joe Barbaro

- 10 Marcin Kierno
- 11 Bill Karapetis

SUBS USED:

- 12 Michael Menechella
- 13 Steve DeGiovanniello
- 14 Lino Sattin
- 15 Theo Anastasiou
- 16 Jason Trimboli
- 17 Jamie Carreno
- 18 Matt Coutouvidis
- GK 1 Robert Matosevic

Goal Scorer: Joe Barbaro

Match Officials:

Referee: Craig Zetter
Ref Assist: Petros Katsiakalis
Ref Assist: George Kyriacou
4th Official: Sam Hasic

Marcin Kierno in action against SanFrecce Hiroshima

REFEREES

ASRF (SA DIVISION)

Times Are A Changing

The Year 2000 brings changes; some which were long overdue. The appointment of a full time Referees Recruitment and Development Officer is a major change which all referee groups look forward to. The appointment commenced at the start of the Year 2000 and we all wish him success in the role.

This position is funded by the Office for Recreation and Sport and has resulted from the efforts of the State referees commission over the past four or so years. The South Australian Soccer Federation is commended for supporting the application. Referees were a neglected part of the game and it has finally been realised that a full time person was needed to entice and maintain people in the referee ranks.

The Referees Recruitment and Development Officer's role is to conduct the administration, design, implementation and review of recruitment and development programmes for refereeing services to Soccer in all of South Australia. His main aim will be to increase the number of referees and along with this, the number of quality referees. He will operate from the Administration Offices of the South Australian Soccer Federation, located at Hindmarsh.

Hence, if you are interested or know of someone who is interested in becoming a referee, please phone the South Australian Soccer Federation and ask to speak to the Referees Recruitment and Development Officer.

Management Committee

President: Mr John Miller
Secretary: Mr Tony Spagnoletti
Vice President: Mr Jim Rossi

FUTSAL SA

ARTHUR DIFEDE - COMMISSIONER

THE FIFA APPROVED AND ENDORSED 5-A-SIDE INDOOR SOCCER GAME

For a number of years the game of Futsal was only played by Senior players. This year the Futsal SA Committee, which is made up of Arthur DiFede, Ray Grima, Tony LaScala and Sid Stringer, have concentrated on attracting Junior players to this great game and in November, after two Come N' Try Days, a Junior Under 12 Futsal competition commenced with 5 teams. The games were played at the Campbelltown Sports Indoor Complex on Saturday afternoon and proved to be very popular with the younger players. It is intended to start competitions for all junior age groups and ladies in the near future.

The only true game of Futsal in South Australia is played at the Campbelltown Sports Indoor Complex on Wednesday nights and at the Magill University Campus on Tuesday nights. There are others trying to imitate the game in other centres, but the rules are very different to the real Futsal which is played nationally and internationally.

The Futsal game is officiated by two Referees who are both licensed Futsal referees and registered with the Australian National Futsal Referees Board. In South Australia we currently have five licensed

Futsal Referees and all have officiated at the National Futsal Championships in Canberra. These Referees have excelled at the Nationals for the last five years and have been appointed to Semi Finals and Final Matches of the Men's State and Club Competitions every year which is a great achievement.

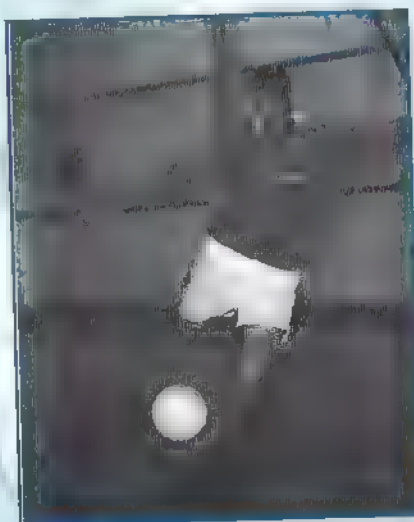

The referees which deserve mention for their hard work at these championships are: Topsy Miletic, Raymond Grima, Yuri Seglins, John Greco and Anthony Grima. Anthony, the youngest of all the referees at just 15 years old, was awarded the most consistent young Referee at the National Championships in 1999, which is another great achievement for the SA Futsal Referees.

You can see these referees in action week in, week out, all year round at Campbelltown and Magill and wherever the real game of Futsal is played.

For enquiries:

To play Futsal, contact Sid Stringer on 8369 0163.

To become a Futsal Referee, contact the Futsal Secretary, Ray Grima, on 0419 801 006.

Peter Moffa (left, and Robert Zitto, two of the stars from the Futsal League.

SA WOMEN'S SOCCER ASSOC.

SHIRLEY BROWN - PRESIDENT

This past season has been both demanding and exciting. With many new players being attracted to the game it is a challenge for SAWSA to service those players and clubs effectively with limited resources.

We rely on the contributions of our very capable paid staff Wendy Carter and Kristy Moore as well as those from a great number of volunteers - SAWSA Management Board members, coaches, officials and club delegates. It has been rewarding to see a great number of club delegates actively contribute to the direction of SAWSA.

South Australia continues to develop a reputation as a nurturer of soccer talent at all age levels and we congratulate all those players who received state and national recognition, regardless of age! Particular acknowledgment must go to Kevin McCormack, state coaches and their team of assistants who have worked tirelessly in the area of elite player talent identification and development. For SA to have been a finalist in a four Ansett Australia Summer Series competitions is outstanding and a tribute to the skill and dedication of all involved.

The Women's World Cup was an eye opener for many people and with the media attention it received signalled that the sport can no longer be

ignored and has a great future. The Australian Women's Soccer Association is working with Soccer Australia and Melbourne Major Events to win the bid to bring the 2003 Women's World Cup down under and provide a great opportunity to showcase the game here.

Adelaide had its own chance of capitalising on the World Cup interest when the Olympic and World Champions - the USA - played Australia at Hindmarsh Stadium on January 13th 2000. This game was part of the Australia Cup, a four nation series between Australia, USA, Sweden and the Czech Republic and provided a taste of what is to come at the Sydney 2000 Olympics.

But elite players are not the only important ones. It is great to see so many girls and women playing the game purely for enjoyment. Strong clubs are the foundation of the association and thanks to everyone who works at that level to assist SAWSA in providing opportunities for players to just go and have fun. Thanks also to our sponsors and the SA Soccer Federation for their support.

The past few years have seen SAWSA achieve a great deal through a combined effort - and whilst my challenges have now moved to the national arena, I wish everyone here all the best in taking SAWSA to even greater heights in the future.

OFFICE FOR RECREATION & SPORT

DEPARTMENT OF INDUSTRY & TRADE

SA WOMEN'S SOCCER REPORT

WENDY CARTER - EXECUTIVE OFFICER

It is at this time of the year that we are able to reflect on the year that has passed and also look forward towards the New Year with a greater amount of vigor and determination. As we enter the Year 2000 the challenges are set before us, the ever increasing challenge to maintain the growth of women's soccer and also the need to further strengthen and stabilise our clubs.

As we enter the new millennium, it is important to consider the achievements that we have made as an association. As I enter my seventh year as an employee with SAWSA, I have witnessed an enormous amount of progress within SAWSA, administratively and also with the overall development of the sport.

The number of players entering soccer continues to grow each year and this is not only reflected in the number of players participating at club level. The number of girls playing at school level is dramatically increasing each year. In 1994, girls' soccer was introduced into the Primary School District Competition with four teams. In 1999 this had grown to twenty teams. This type of statistic is reflected at all levels of school soccer.

With soccer becoming recognised as a legitimate sport for girls, the task before SAWSA and its clubs is to develop stronger links with the schools. These links will ensure that a greater number of girls are aware of the opportunities that exist outside of school soccer. Those clubs that take up this challenge will, no doubt reap the rewards, ensuring that players continue to progress through their clubs, which will assist to develop stronger and more stable clubs.

The SAWSA clubs should be congratulated for the progress that they too have made over recent times. Many of the clubs have identified the need to develop and implement administration policies to ensure that their club not only survives but also grows as a sporting club.

In 1999 SAWSA conducted several Professional Development seminars for SAWSA clubs. These seminars, along with additional information supplied by SAWSA, were provided to assist clubs to develop policies and procedures for their clubs. SAWSA will continue to work with clubs to further develop these areas in the Year 2000. The strength of SAWSA lies

within its clubs and it is imperative that SAWSA continues to assist club development.

SAWSA too has progressed immensely over the past seven years. In 1993 SAWSA had no office facilities and relied completely on the support and the dedication of volunteers to conduct the operations of SAWSA.

In 1999 SAWSA can be proud to say that it has a permanent office at the home of soccer, the South Australian Soccer Federation (SASF) and employs two people, one full-time and one part-time. SAWSA is recognised by other soccer associations around Australia as a leader in the administration and development of women's soccer.

South Australia's development is also recognised on the soccer field. This year finally saw the South Australian Sports Institute (SASI) team, the Buffalo Pirates, reap the rewards it truly deserved when it won the Ansett Australia Summer Series. South Australia has competed in every final of the National League since its inception, an indication of the contribution that this program has made to the development of women's soccer in South Australia.

It would be remiss of me not to acknowledge the following players for their achievements during 1999. Diane Alagich, Sharon Black and Kristyn Swaffer were all selected in the Australian team to compete in the Women's World Cup in the USA. Jessica Halfpenny, Kimberley Morris, Anna Ruotolo and Natalie Thomas were selected in the Australian Youth team to compete in the Nordic Cup in Iceland.

The World Cup and the Nordic Cup certainly opened my eyes to women's soccer overseas. At the World Cup, I attended all of Australia's World Cup Group games. Although the results were not what had been expected, to attend games that consisted of crowds ranging from 20,000 - 30,000 and to see many of the spectators wearing women's soccer merchandise supporting local and overseas teams, was certainly inspiring. Could you imagine being at the final, 95,000 spectators to see a women's soccer game!!

At the Nordic Cup I witnessed the best youth players in the World. The talent that was on display was breathtaking but at the same time disconcerting from an Australian point of view. Many of the other

nations that competed in this tournament had been training together for many months, if not years. The Australian team had been together for four days!! If Australia is to become competitive on the international stage more resources will need to be implemented at the youth level.

On the local scene the SAWSA leagues commenced on the 11 April with fifty two teams competing in six divisions. The Under 14 Division was once again a growth area, with the inclusion of two additional teams. Division four also saw the inclusion of two new teams, Virginia United and Athelstone. A special mention to Virginia United who came runners-up in this division, a very positive result for their first season in women's soccer.

Adelaide City, after some very beneficial pre-season recruiting, along with the 1998 Champions, Modbury, were viewed as the two title contenders for the 1999 Premier Division. These predictions came to fruition with Adelaide City winning the Premier Division and Modbury coming runners-up. These tables were turned in the Bailetti Cup final when Modbury defeated Adelaide City.

Congratulations to Lia Augimeri and Kristy Moore from Adelaide City, who were joint winners of the Referees Choice Award and Highest Goalscorer in the Premier Division. Lia proved that her win in 1998 was truly deserved.

To all of the players and officials who participated in the SAWSA Leagues, you are the strength behind SAWSA. Regardless of how your team performed during 1999, the contribution that you make to SAWSA should never be underestimated. Winning should not be the final result, competing and enjoying this truly wonderful sport are valid reasons for competing.

I would also like to acknowledge all of the players and officials who were selected to represent

SAWSA State Teams. All of these people should be proud of the contribution and achievements that they have made in representing these teams.

Without the support and dedication of the following people, women's soccer would not have progressed to the level that it is currently. I would like to personally thank Kristy Moore, the SAWSA Board and all of the club delegates.

Many people are not privileged to witness the

many extra hours that these people commit to SAWSA and the development of women's soccer. A special thank you to Kristy Moore whose support and commitment has been invaluable and I sincerely wish her the best in her new endeavors.

I would also like to acknowledge Shirley Brown who will be leaving SAWSA at the end of this year. Shirley's contribution to women's soccer in South Australia has ensured that SAWSA is in a very healthy position to progress into the new millennium. We wish Shirley all the best in her new position as President of AWSA.

Finally, I would like to make special reference to the South Australian Soccer Federation (SASF) for their continual support of women's soccer. SAWSA

looks forward to strengthening this relationship with the SASF in the coming years.

The progress that women's soccer has made over seven years is truly amazing. Could anyone ever have imagined 95,000 spectators watching a women's soccer game? The Sydney 2000 Olympic Games will provide our elite players with the opportunity to further enhance and promote the sport of women's soccer.

However we should never forget that this sport is about participation and enjoyment and SAWSA, in conjunction with the clubs, should continue to strive to offer players and officials the opportunities to participate at all levels of the game.

Chi Chi May (SA) and Michelle Carme (NSW).

we're smoke-free

LEN ALAGICH MEMORIAL SERIES

BILL KOULOCHERIS

The annual Len Alagich Memorial Night Series organised by The Port Adelaide Lion Soccer Club, was again keenly contested in 1999 and with ten teams entering we had to play it over a six week period instead of the usual four kicking off on Wednesday 27 January and culminating with the finals on Friday 5 March.

Croydon "KINGS" won the final defeating W.T. Birkalla "EAGLES" 3-2 to make it two in a row for them, the "PIRATES" defeated the Para Hills Knights to secure third place.

Unfortunately the tournament was ignored by the media which is very disappointing when so much effort is expended in a genuine attempt to raise the profile of our game at Premier and State League level, thus we seem to always battle this selective media blindness. Our cause was also further set back when the sponsor of the tournament withdrew at the last minute.

This year saw the advent of the player of the series being awarded the "M. Igor Franetovic Medal" named in honor of one of our great supporters and Club Workers who unfortunately passed away in 1998. Peter Harpas from the Adelaide 'Cobras' won this award.

We would like to thank all who were involved in the competition, Referees, Players, Officials, and Club Staff.

VAL MIGLIACCIO

Adelaide City Force is the only South Australian representative in the NSL in season 1999/2000 due to the demise of the Adelaide Sharks and they have carried the flag and hopes of this State.

The Force kicked off its pre-season with the announcement of a new Chief Executive Officer, Ned Coten, and with it the anticipation of a brand new direction.

Coten got the ball rolling in August and announced the Club would change its name from Adelaide City Zebras to Adelaide Force, including a brand new logo and would change its strip from traditional black and white stripes to one incorporating blue and orange.

The re-launch of the Club was met with enthusiasm at Parafield Airport and the season ahead appeared to be heading in the right direction, with the right mix to attract a broader base.

Friday night appeared to be the night South Australians wanted to see top class soccer and when the players walked through the tunnel and onto the glorious Hindmarsh Stadium pitch against Parramatta Power in its first home match, one of its best opening crowds of 6,382 witnessed its first victory.

Indications suggested that this was the start of the resurgence, and crowds would be on the increase, but the Force's on-field performance for the start of the season left a lot to be desired and it was left languishing at the bottom of the table in rounds 11 and 12.

Coach Zoran Matic signed Brazilian import Igor Rodriguez and Scottish import Derek Ferguson, and both arrived with high credentials and it sparked enthusiasm, but they soon departed the country within a fortnight of arriving, in secretive circumstances.

With the shock retirement of stellar sweeper Milan Ivanovic in round two, the Force's premiership hopes looked grim.

A new look defence was taking shape and the off season signings of Olyroo Ivan Zelic, Aurelio Vidmar and the unknown Matt Kemp was enough to suggest that depth was not lacking.

Incredibly, with the season in progress, the Force were still searching for a replacement goalkeeper for Socceroo, Jason Petkovic, who made it clear at the

end of the 1999 season that he wouldn't be coming back to Adelaide.

White City Warriors' young 'keeper Jonathon Lihou was signed as a back up to Youth Socceroo Anthony Breen, who was acrimoniously dumped from the Force's squad after two rounds.

The Force then named another goalkeeper, signing Vison Knezevic, who joined the Club from Canberra Cosmos and he became the number one custodian.

Matic continued to search the world to bolster his squad and Italian import Claudio Pelosi entered the fray as an outright striker and Serbian import Atila Horijik arrived just before Christmas to complete the jigsaw puzzle.

At that stage of the season the Force appeared to be heading for its worst ever season and it slumped to the bottom of the table in the beginning of December.

Its woes were compounded in the second week of December when Coten announced his shock resignation, which came in the wake of a members' meeting that vetoed the proposed changes.

The Club's members voted to keep its black and white stripes and added City back into its official title.

It was a tough test of character for the Club and Matic lamented his squad's unacceptable performances, while the Club's administration was faced with the challenge of getting confidence in the support and corporate market.

While the Force has been drawn to attract a larger supporter base and move away from its Italian origins, they have been seen with the rich and famous and launched the movie "Wog Boy" in Adelaide, and visited shopping centres with Radio Televisione Italiana, broadcasting the events live.

And pre-match entertainment includes the old Rugby League theme song, "Simply the Best" by Tina Turner, which belts out of the Hindmarsh PA system when the Force are ready for battle.

The year 2000 dawned, and the Force's displays suggested that they are on the comeback trail and with the squad now settled, the top six, which was a remote possibility in December, is now a distinct reality.

Pelosi, Kemp, Vidmar, Nick Sabljak, Angelo

Costanzo and Carl Veart have been the impetus to the turnaround.

It's now up to the Force to continue the climb and see whether it is good enough to make it twelve consecutive finals campaigns in a row. The riddle will be answered in round 34.

Here's a brief run down of the other NSL clubs and the chances for the premiership.

Brisbane Strikers Batted from the blocks and headed the table early in the season but coach John Kosmina knows that a lack of depth could cost his side dearly. The Strikers have sadly missed goal-scoring hero Paul Foster through long term injury, compounded with its poor performances away from home.

Canberra Cosmos - The capital's side commenced the season with a flourish by demolishing the Force 3-0, and even led the premiership after two rounds, but it has dropped to where it has always expected to be, and that is at the wrong end of the table. A huge cash injection is need to recharge the club and perhaps some GST to the Cosmos would not go astray.

Carlton - Carlton disassociated itself from the Carlton AFL club and moved its home games to Olympic Park, but the Melbourne public has ignored the move and the Blues continue to find other ways of making income. Carlton has a side worthy of the top six and perhaps even taking our its first premiership.

Football Kingz FC - New Zealand's first venture into the NSL has seen the Kingz perform creditably on the park, but it has the undesirable problem of a lack of cash flow, which has largely unsettled the club. It's a problem that could harm the chances of making a serious dent in the title challenge.

Gippsland Falcons - The Falcons have failed to grow in stature and are following the same pattern of the region, which has been decimated with industry leaving the valley. Tipped as one of the clubs to get the chop in the new NSL season the Falcons squad will be playing for pride and new contracts with other clubs. Not expected to make a top six challenge.

Marconi Stallions - The Stallions have changed three coaches in three seasons and Eddie Krncevic is

Aurelio Vidmar once again in control.

expected to lead the Stallions into top six reckoning and perhaps all the way. The Stallions have a powerful squad, but have been punished for lapses in concentration in defence, a weakness that has plagued the club for many seasons.

Melbourne Knights - The Knights have fallen heavily from grace and could be another proud club that might lose its spot in the NSL after being beleaguered with financial difficulties. Even so, the Knights always manage to produce outstanding talent with export Mark Viduka scoring regularly with Celtic in Scotland, testimony to its proud youth policy.

Newcastle Breakers - The Breakers have been rewarded for all their hard work in the past and refreshed the face of the NSL with a serious shot at the top six. Solid in defence, the Breakers' weaknesses lie in its inept ability to bury opponents. Its lack of confidence in taking the game to opponents away could be a costly factor.

Northern Spirit - The Spirit have suffered second year blues which has been forthcoming considering the recent history of the newest NSL clubs Carlton and Perth Glory. Coach Graham Arnold has lamented his club's lack of discipline in set pieces and the Spirit has given away far too many goals to be in contention for a shot at the title. Arnold will no doubt clean out the cupboards in the off season and many of the "star" players may find themselves on the outer.

Parramatta Power - David Mitchell missed out on the Soccerroo job but was handed the lucrative position of making new club, the Power, a viable entity. The Power signed the bulk of Sydney United's grand final squad and struggled to get its momentum going early in the season. Mitchell has quietly sorted out his problems and the Power need to string consecutive victories together to make some sort of statement in its first season.

Perth Glory - The Glory have to date played its best soccer in its short history and its position on the ladder suggests that it might surprise the NSL and take a grand final berth at home. Would there be a stadium big enough? Bernd Stange is an astute coach and knows the premiership is not a race but a marathon and Perth's parochial supporters are patiently waiting for the big prize.

South Melbourne - Back to back Premiers, South Melbourne created history by being the first club from the Oceania region to play in the inaugural FIFA World Club championship and by no means disgraced itself against giants Manchester United, Nexaca and runner up Vasco da Gama. The

FIFA championship has distracted South from the NSL, and it will need to be at its best to qualify for the top six, let alone the title.

Sydney Olympic - Coach Branko Culina must be happy in the manner that Olympic punishes sides in emphatic fashion. Pablo Cardozo's performance in front of goal has seen him gain a Soccerroo shirt for the first time and his goalscoring feats are superb. Olympic in the past has faltered at the final hurdle and Culina's position will be judged on its finish.

Sydney United - United has lost the bulk of its squad to Parramatta Power and has struggled in all departments this season. It will take a monumental effort to resurrect United and this season could be its last in the NSL.

Wollongong Wolves - The Wolves has surprised many with its performances and its standing at the right end of the table. Coach Nick Theodorakopoulos has managed to blend a squad of fighters into one of the league's best attacking units. The Wolves are holding the regional flag high and are poised to create NSL history.

Prolific goalscorer, Damian Mori, plying his trade.

The last premier league grand final of the 20th century climaxed when 8732 fans packed into the half completed and revamped Hindmarsh Stadium to witness a spectacular feast of pre-match entertainment before the big match.

On a mild spring September night, Friday the 10th, will go down in history as the Cumberland Foxes fought hard for their first premiership in twenty-one years when they defeated minor premier Port Lion Pirates 1-0, in a gripping encounter.

Foxes' emphatic defender Les Maticsak, powered a headed goal into the back of the net in the 34th minute to take the prize back to Bailey Reserve. The Pirates valiantly tried to get back into the grand final, but poor finishing and stout Foxes defending kept the boys from the docks away from the trophy.

The Foxes' rise from State League obscurity in 1998 to premier league champion is testimony to

long serving coach and clubman David Leane. In its first premier league season in 1988, the Foxes pushed the league's favourites and failed to make the top 5 by one solitary point.

Leane realised he needed an injection of the right personnel to bolster his squad and good old fashioned hard work. The Foxes kicked off in 1999, making a huge impact with grit and determination and frustrating impatient ball playing sides by soaking up pressure in defence then counter punching with alarming speed. Although the Foxes lacked the spark and quality of attacking sides, they proved to be the most congruous performers throughout the season.

The Foxes led the minor-premiership for a total of eleven weeks and were pipped at the post by the fast finishing Pirates, who snuck in the top 5 through the back door in round 19 and grabbed the

1999 Champions, Cumberland United.

minor-prize in the last minor-round.

Port's coach Mike Barnett, thought long and hard about his first season in charge in 1998 and decided to take a tough stance and applied pressure on his charges in 1999. The Pirates introduced new faces and the new blend of players took more than 5 weeks of premier league action to adjust to what was required.

Early in the season, the Pirates were staring down the barrel of relegation, but as with most sporting clubs built around docklands, once the foghorn was sounded and the motor cranked up, there was no stopping them.

Southern Stars loan player Peter Mihalopoulos was a revelation in attack and the clever finishing of Dino Sordillo and tireless midfielders Leo Maio and Bill Misailidis ably supported him.

Raiders rose from 10th position in 1998 and bowed out of the title race in the preliminary final when they lost 1-3 to the Pirates. Coach Rocky Aloisi built a solid outfit who occasionally appeared to be unstoppable. The wheels fell off for the Raiders when the pressure was on and they demonstrated inconsistency that proved to be costly to their title hopes.

Mark Brazzale, Bill Karapetis and Jamie Perin led the midfield early in the season until Perin decided to call it a day due to work commitments. By Raiders' standards the season might have been disappointing but they have blooded youngsters who have developed as first team regulars including Stanko Zilic, Michael Keens and goalkeeper Marijan Kolar.

Mark Brazzale (Raiders) left, and Stanimir Dacic (White City) in Premier League action.

Greg Kalinovic was thrust into the coaching hot seat at Campbelltown Red Devils after the sacking of Chris Manolev pre-season. Manolev's sacking was a case of history repeating itself after he was given his marching orders in similar circumstances at White City in 1996.

The Red Devils kicked off their season with indifferent form, being worldbeaters one week, then failing apart at the seams the next. Kalinovic settled his squad midway through the year, introducing untried youngsters who had been a part of the Red Devils' highly successful Underage teams.

Finals time was testing for Campbelltown and after a marathon qualifying final loss to Cumberland on penalties, they were forced to meet Raiders in the first semi-final. After two crucial send-offs, the Red Devils yet again crumbled in extra-time 1-2 and their season ended in tatters.

Since the inception of the premier league in 1994 the Red Devils have only missed one finals campaign. The killer instinct seems to be lacking and it's a problem that Kalinovic needs to rectify in 2000.

Elizabeth City Rams coach Andy Kidd flew the flag high for the state's northern clubs as his side made its way to their very first premier league finals campaign. The Rams headed the top of the ladder in May and a lack of experienced depth saw them fail to sustain the rise.

Kidd's Rams performed admirably in the elimination final 1-2 loss to the Raiders and have a good crop of youngsters coming through the ranks. Goalkeeper Ben Moore, Neil Childs, coupled with the experience of captain Andy Thomson and Scott Wilson make up a good foundation for the club to build itself upon.

WT Birkalla the reigning 1998 premiers fell heavily from grace and finished 6th, being 5 points away from Elizabeth. Coach Charley Villani had his problems in maintaining a stable eleven and the loss of 1998 Sergio Melita medal winner Lachlan Campbell, with a long term injury, proved costly for the Camden club.

Birkalla commenced the season with a flourish and stamped their authority early, leading the table after 4 rounds but soon stumbled into obstacles that saw them fall off the perch with injuries and suspensions. Villani, being a realist suggested in April that his side's lack of depth could determine their undoing. He was right.

Jan Kierno departed from the Croydon Kings at the end of the season citing differences with the board of management as unworkable for his future

involvement. Kierno rang the warning bells mid-season when he quit for a week before being reinstated.

Croydon's off field woes took its toll on the talented squad with its latter season form disappointing. The Kings self destructed too often, after they commanded many matches only to drop points with concentration lapses. Stalwarts Shane Porter and Rick Piotrowski can hold their heads high for the Kings, having stellar seasons.

Norman Lees coached White City for the first time this season and the Warriors managed to grab all the headlines early in the season, but were unable to maintain the form which saw them hold onto top spot, which they held in round 13.

Alarmingly the Warriors only managed to grab six more points for the rest of the season taking their tally to 32, with their second half season slump detrimental to their top 5 hopes. Lees was philosophical about White City's future and recruiting is in store to add to the quality players the Warriors already have such as goalkeeper Jonathon Libou, Damien Stam and John Manca.

Blue Eagles stranglehold on playing finals soccer since 1992 came to an abrupt end when they finished 9th, which is poor compared to the high standards set by player/coach Zoran Karadzic in the mid 90's.

The club will move from its outdated Firle premises to the impressive Marden Complex in 2000 and are set to rebuild the glory days of the 90's on the park. Karadzic is a shrewd tactician and has his eyes set on the Blue Eagles making up ground and strengthening the depth of their squad.

Modbury Jets celebrated a welcome return to the premier league and managed to keep the relegation wolf at the door with the club getting desperate for points towards the end of the season after a poor start.

The battle scene for the drop was set at Golden Grove in round 21 in front of nearly 2000 fans as away side Para Hills needed a victory to stave off state league soccer in 2000. Modbury were jubilant as they finished the match with a 2-0 victory and coach Duane Gray promised to deliver a better Jets in 2000.

Para Hills Knights were sent straight back to the state league after one season in the premier league, struggling to come to terms with the pace. The Knights incredibly won promotion in 1998 from 6th place and were

thrown into turmoil with the departure of long serving coach Bud Hilton. Barrie Cook took the helm and tried to instil confidence and morale to an already decimated outfit, but it was all too late.

Olympians can finally look back at their disastrous 1999 season and think long and hard about the future direction of the club. They will be known as the Olympic Football Club in 2000 with a new venue that it can call its own. Coach Dave Baker who took over from George Konstandopoulos has a tough job ahead and has already put a strategy in place for the re-born club.

The premier league 2000-season kicks off in February with Adelaide City and MetroStars remarkably promoted from the state league in their debut season of federation soccer. Olympic soccer will grace Hindmarsh Stadium in September 2000 and all the excitement leading up to the once in a lifetime event should see the premier league once again be an intriguing race for glory. Will the club that has its name inscribed on the premiership trophy in 2000 set a precedent for South Australian soccer in the 21st century?

Premier league soccer is the grass roots of our national league and indeed the Socceroos, so as Molly Meldrum always says, "Do yourself a favour," go and watch the future stars of the Australian game.

John Fontanarosa (Croydon) front, beats David Manichella (Campbelltown City) to the ball.

**SMOKE FREE
STATE LEAGUE
1999**

VAL MIGLIACCIO

The young guns of Adelaide City powered through a marvellous state league campaign taking out the double by winning the minor premiership and defeating premier league promoted comrades MetroStars 2-0 in the grand final in an entertaining encounter.

Legendary City coach Sergio Melta led the youngsters to an amazing 18 match unbeaten run, with the club taking the foot off the accelerator in early July having won the first battle, the most important one, which was premier league status in 2000.

With only one spot remaining for promotion, the struggle was on and after a mid-season form slump Enfield City and MetroStars, and to a lesser extent Salisbury United along with Port Pirie City challenged for the ultimate prize.

The top 5 play offs were exhilarating from the kick-off and the elimination final saw Salisbury come back from a goal deficit and over run Port Pirie to set up a meeting with the losers of the qualifying final.

Enfield City was still smarting from their disappointing finals exit in 1998 and had a point to prove against the new boys on the block, MetroStars. In an epic qualifying final MetroStars scored the golden goal extra-time winner (3-2) and dimmed the hopes of Enfield who finished the match with nine players.

After eliminating Salisbury in the first semi-final, Enfield set up another meeting with MetroStars, who were punished 5-1 in the second semi-final against Adelaide City.

The preliminary final was the end of the road for

the loser and the beginning of premier league life for the winner. It was the hurdle that the MetroStars relished, as they overwhelmed Enfield City 3-0. The MetroStars created history and Enfield had to go back to the drawing board for another crack at premier league status.

The closeness of State league soccer was evident as the thirteen-club league produced moments of joy, along with frustration for the budding clubs who seek to better the game of soccer in South Australia.

Salisbury United had a relatively successful season and will reap the benefits of having impressive underage sides. United were just off the pace, but they have unleashed some certain stars of the future with 16-year-old Daniel McKenna the pick of the bunch.

Port Pirie blitzed some clubs in dazzling displays with former Adelaide Force NSL striker John Christopoulos an exciting weekly prospect. Pirie managed to make the finals for the second time in three seasons but failed when the

going got tough. With healthy support Port Pirie will flourish in 2000.

West Adelaide's chances of promotion took a deviation when the turmoil of the NSL club took its toll on the youngsters. Coach Ayrton Andrioli had West focused towards the end of the season and they missed the top 5 cut by two points, ruining their mid-season form slump.

Adelaide Cobras continued to bamboozle the state league with stunning performances on occasions, together with unexplainable disastrous

George Georgio (Panthers) left, in a duel for the ball with John Harpas (Adelaide Cobras).

results and not making their job of promotion easy.

Western Strikers settled into their second season of state league soccer and coach Nick Pantsaras was relatively happy with the amount of juniors who are progressing into senior soccer. Pantsaras has a strategy that should see the Strikers improve on their 9th place next season.

Seaford struggled yet again and the southern club has to make the most of the vast talent available to them.

Northern Demons entered its first year of state league soccer with relative success. The Port Pirie boys made their mark and after a slow start the Demons found their feet with loan player Nathan Day and former NSL player Ric Cerracchio making an

impression on the way the game should be played. Demons have learnt a great deal from their debut and can be expected to climb the ladder in 2000.

Adelaide Hills, is another young side that is slowly building for a long and prosperous future. Although the Hills lads finished second bottom they managed to upset a few of the bigger clubs including an impressive victory over champion Adelaide City.

Raymond Blair, coach of the Panthers, knew he had a huge job ahead of him and the Panthers in their first year were the whipping boys for the early part of the season and gained deserved respect as they quickly learnt from experience.

WEST END FEDERATION CUP 1999

VAL MIGLIACCIO

The 1999 Federation Cup was the climax to an exciting season and culminated with a historic final which saw the defunct Adelaide Sharks take the pitch for the last time and defeat Elizabeth City Rams 2-1, who made it to its first final, at Hindmarsh Stadium.

The Sharks finale to its long history was a dream for the youngsters that managed to stick together despite the club's financial turmoil. Against the odds former Shark coach Airton Andrioli made a commitment to keep the boys together and at least end the Sharks' reign as a club on a high note.

On an October Sunday afternoon more than 2000 fans flocked to farewell the Sharks and indeed perhaps watch Elizabeth create history by winning the knock out cup for the first time.

It wasn't to be Elizabeth's day as the Sharks came back from a goal deficit scored by Daniel Reynolds in the first half and knock in two superb second half goals. To the astonishment of Rams' coach Alby Kidd, the Sharks played with heart and stole the silverware.

Emotionally charged, Sharks supporters couldn't contain their delight and celebrated into the night as the Rams assessed what went wrong.

Being an end of season competition, round 1 saw the clubs which weren't participating in the top 5 finals dust off the cobwebs and the biggest shock of the round saw amateur club Salisbury Villa knock over relegated premier league club Para Hills. NAB

Demons handed Seaford an early exit with a hard fought 3-2 victory.

Round 2 and NAB caused the biggest shock of the cup when they handed newly crowned premiers Cumberland Foxes a 3-0 hiding in a convincing display at Athelstone. Former Blue Eagles stalwart and player/coach of NAB Angelo Giannitto led his side with conviction. State league club Salisbury caused another upset when it sank WT Birkalla 3-1 at Camden Reserve.

For the contenders of the last cup before the millennium, the Quarter-Finals became a pressure cooker for premier league favourites, Port Lion, Adelaide Blue Eagles and Elizabeth to win their respective matches.

West Adelaide was quietly going about cup business and ended the Adelaide Hills hopes with a 5-1 drubbing and NAB's dream was shattered when Port Lion thrashed them 5-0 on a wet Newton Sportsfield. Salisbury and the Blue Eagles had their match abandoned, 15 minutes into the second half, with the score at 3-1 in favour of the Blue Eagles, because of severe lightning and thunderstorms.

The Blue Eagles won the Wednesday night replay 2-1 under lights at Steve Jarvis Park, setting up a semi-final with West Adelaide and Port Lion was pitted against Elizabeth at Camden Reserve.

With the disappointment of being a losing grand finalist, Port Lion was expected to take out their frustration on Elizabeth but instead were given a lesson with a convincing 3-0 victory to the Rams who showed what a committed team effort could do.

West Adelaide fronted the Blue Eagles in what was expected to be the end of the road for the Sharks with the Blue Eagles anxious to make it back to back Federation Cups after a poor minor round campaign. But West Adelaide grew in confidence with every minute and the Blue Eagles had their backs to the wall at 0-0 after losing Roy Zito and Joe Cutillo who were sent off in a three minute spell in the second half.

The match headed into extra time and the Sharks could sense victory and it only took three

minutes, as substitute Jimmy Baltidis fired in a low powerful cross to the waiting Paul Tsokolas who nailed the winner.

The lead up to the final was emotional as Rams coach Kidd sang the praises of the Sharks, as it was West who imported the elegant coach and former midfielder to Australia. Kidd was adamant that sentiment wouldn't play a part as the Rams were

searching for its first major piece of silverware.

Sharks coach Airton Andrioli knew it was the swan song for his club and he managed to rally his men to victory for the very last time when another chapter of South Australian soccer history closed as sporting fans waved goodbye to a former giant of Australian soccer.

THE ROAD TO THE WEST END FEDERATION CUP FINAL

CUP RESULTS 1999

AWARD WINNERS

SUMMARY OF AWARD WINNERS - 1999

The Annual Soccer SA Awards night was held on Wednesday, September 22nd at the Hyatt Regency Hotel. The evening was again an outstanding success with all who attended.

The Commission wishes to congratulate the following winners:

Smoke Free Premier League Player of the Year

Congratulations to our history making three joint Serg Mexta Medal Winners for being the Smoke Free Premier League Players of the Year - John Fontanarosa from Croydon Kings, Les Matiscsak from Cumberland and Tony Scalzi from Campbelltown City.

The top twelve placegetters were as follows:

J FontanarosaCroydon26 votes
L MatiscsakCumberland Utd26 votes
T ScalziCampbelltown City26 votes
B KarapetisRaiders24 votes
D StamWhite City19 votes
M BrazzaleRaiders17 votes
